## All the info

Bessy View is a luxury, self-catering holiday lodge with breath-taking views over the Sperrin Mountains. Our cosy cabin provides a comfortable, relaxing space to unwind and includes a private BBQ / decking area with your very own log-burning Hot-Tub. Located on a quiet, rural road just two miles outside the village of Newtownstewart and seven miles from the bustling county town of Omagh, you'll have everything you need within a short distance - grocery stores, bakery, takeaways, cafes, bars and ATM machine. There are also two fantastic restaurants within a 5-minute drive.

We operate a self-check-in/check-out system for your ease & convenience. You will be provided with a keypad code to access the key for the cabin. Check-in after 3pm and check-out by 11am. There is a dedicated parking area beside the cabin. We, as owners, will be available should you require any assistance during your stay and our contact details are provided with your check-in email.

The open-plan kitchen is fully equipped and provides a comfortable living space where you can fully appreciate the stunning scenery from the comfort of Bessy View's box window seating. There is a separate bedroom with king-size bed while the sofa bed in the living space will very comfortably sleep two children (or two adults should you wish). A separate bathroom with shower completes the cabin.

Bed linen, towels, dressing gowns & slippers will be supplied. If required, a travel cot and high chair is available for children under 2 years. Within the bedroom, a wardrobe space with hangers is provided as well as a hair-dryer & hair straighteners. An authentic electric stove in the living area, bedroom electric heater and a heated towel rail in the bathroom will ensure a cosy stay. The cabin has full Wifi access & TV. For your safety, the cabin is also equipped with a smoke detector, fire blanket & first aid kit.

The kitchen has an electric hob, fridge, microwave with grill, kettle, toaster, cooking equipment, crockery and utensils. Some basics await your arrival - tea, coffee, milk, sugar, biscuits, croissants, butter, cereal, pure orange juice and bottled water. Sausages, bacon & eggs or a BBQ pack can be supplied for an additional fee. Use of the charcoal BBQ is complimentary with one bag of charcoal provided.

We kindly request that our guests do not smoke within the cabin, and unfortunately, the site is not suitable for pets at present.

There's lots to explore in the local area and if outdoors is where you want to be, start right on our door step with Bessy Bell Mountain easily accessed from the cabin, Ulster Way walking signs directing you. Other attractions include the Ulster American Folk Park (2.5 miles) and Gortin Glen Forest Park (9 miles). Derry/Londonderry is only a 40-minute drive away where you can explore the 17th Century City Walls, catch a performance at The Millennium Forum or spend your day shopping the stores. Northern Ireland's renowned North Coast is even within reach; by car a 1hr 20 min journey or sit back and take in the views on the train from Derry/Londonderry to Coleraine - described by Michael Palin as 'one of the most beautiful rail journeys in the world.' From there you could take the short journey onto Portrush - Northern Ireland's favourite family holiday destination for generations!
