Richard Black, a close friend, has said this about Steve Baxter: "I have known Steve as a good friend for 38 years. I was his area director with Young Life when he led the Richardson High School Young Life club for 13 years from 1979 to 1992. I began investing with Steve in real estate in 2004. Andrew Baxter enjoys the new challenges of college courses. He enjoys meeting students from all over Texas and other states. Andrew is appreciative for the accomplishments of high school, appreciative of his popularity socially and accomplishments athletically. But he would be the first to say that those accomplishments are nothing when compared to the privilege of knowing Christ and living for Him.

Furthermore, the Bible makes a challenge that goes something like this: "I call heaven and earth to record this day, that I have set before you life and death: therefore, choose life."
