

Graco Nautilus 3 in 1 Car Seat Review From A Consumers

I'm guessing that for you to have [nautilus 65 lx](#) found this page you've done one of 2 things: either you've done a lot of your own research and you're now homing in on one or two possible car seat choices; or perhaps you came across Graco Nautilus somewhere or heard about it and want to know more.

Let's face, it there's a bewildering amount of choice in the market place when it comes to baby or child car seats. If you are looking for a child car seat for the first time, it can seem quite overwhelming with the amount of choice available.

Let me explain why I've chosen to write about the Graco Nautilus over all else. Let me start by first making it clear, it's not some random choice. Believe it or not there's a significant degree of logic in my choice, which I explain below. I will then go on to explain how I go about finding the best products and the best deals for those products.

when it comes to baby or child car seats

Finding the right child car seat isn't easy. [nautilus 65 lx](#) Unless you have the time and the inclination to sift through literally hundreds of different makes and models, the chances are that you may end up paying more than you need to and going for a child seat that is only good for 1, perhaps 2 years, at best. Fortunately, there is an easier way to choose and this is a technique that I've used to good effective on many occasions when researching and making a choice as to what to buy. It's not rocket science really, basically all you do is a bit of homework to find out what "the people's choice" is for your target product. More often than not when you base your buying decisions on this method, you'll find that you eliminate a significant amount of choice and a lot of the grunt work, after all so many people can't be wrong. But do keep in mind the main functionality, features or benefits that you personally want out of the product that you're looking to buy and you shouldn't go wrong.

When you get good at using the internet for researching goods and services, you really can save yourself a lot of time, money and ensure that when you do make a purchase that it's a good decision. Nobody likes coming away with a purchase suffering buyer's remorse or regret. So, getting back to the point, the reason that I've chosen to review the Graco Nautilus, as opposed to another car seat, simply comes down to the fact that it's currently the most popular selling on the market today.

If you're looking for a child seat that is versatile, well-built, extremely strong, has an excellent safety test record and offers top value for your buck, it's difficult to find a car seat that does all of these so well as the Graco Nautilus and offered Good Value for Money. The fact that the Graco

Nautilus was one of the few car seats that employed a 3 in 1 system, placed this seat firmly in the top 3 of the car seat market.

The Graco Nautilus undoubtedly [nautilus 65 lx](#) has longevity, which is pretty much unrivaled in the car seat market. The Nautilus' versatility and longevity comes from the fact that you can convert this seat to a 5-point harness high-back seat, a high back booster seat and finally a backless booster seat. Hence the name 3-in-1. In layman's speak what this means is that you can adapt the seat to meet your growing child needs. As a result, what you get with the Graco Nautilus is not just 1 or 2 years use but many years use. In fact some parents claim to have had their Graco Nautilus for up to 6 to 7 years! I think you'll agree with me, that represents a huge saving in the long-term.

Graco Nautilus also scores very highly in relation to safety. It employs steel reinforced mesh structure and the latest EPS energy-absorbing foam technology, giving it additional security, comfort and durability. Other features of the Graco Nautilus that is rated highly by customers, include adjustable headrest, 3-point recliner setting, cup holder that is big enough for a big boys water bottle, discrete storage compartment for children's play things and a machine washable seat pad.
