Read Psalm 25:1-22

1. How would you define integrity? (Ps 15:4)
2. Christian integrity at work is a commitment to make the name we bear and the way we work match. What happens when the name we bear matches the way we work?
3. What current struggle might you be called to show integrity in? Who’s watching you that this might impact? How might it impact you?
4. It’s easy to set aside integrity when we can determine a way around the current struggle (like Volkswagen) But how is it good for God’s business to go through that struggle with integrity? Here are four words to focus on as you discuss this. Rescue (v20) Wrestling (v9) Witnessing (v21 & Hab 2:3) Suffering (vs 16,17,19 Phil 1:29)

**Partner**

1. Share an opportunity you have to show integrity this week.
2. What might it cost you to show integrity through that situation? How do you feel about that?
3. Together reflect on what God promises you as you live a life of integrity.
4. Spend a moment praising God
