The price for the breach of contract is life as agreed by the contract. Providing a fake name makes the contract void. Your name (defined as "Alias") is the one you use that generally refers to you and is exempt from any change for any future date.

There is no confidentiality. The council reserves the right to use your name and any other information to conduct evil business with amnesty. Your soul as well as your information is property of che council and by extension The Dark Sovereign and Subordinate.

BREACH OF CONTRACT

In the event of the client ("You", "The Subject") submits henceforth to any other entity other than the council you, the client, agree to have your Black Key as well as any power given by the Steward promptly removed following termination. All terminations must be formally approved by the Dark Sovereign or Dark Lord.

RELEASE FROM CONTRACT

The council reserves the right to terminate this contract, but will do so by the usual means of contract termination through Breach or Invalidity of information. The council does not require a reason to terminate you and the contract itself since you "the client" agrees to give your entire account bank to the council forever.

INDUSTRY

The council reserves the right to make you do anything. Disobedience of commands from any form of authority will not be tolerated. You will be expected to defend the council and its base of operations whenever necessary, as well as report to the council any information of note. Disclosing confidential information without invocation, regardless of rank, will result in termination.

SALARY

You will be paid in the most literal sense imaginable; that is, via basic empowerment. The Steward holds all, and any major efforts made for the Council will always be rewarded.

POSSESSIONS

You agree by engaging in the agreement outlined in the contract and the T&C that all your possessions, strength, achievements and memories belong to the council and can be used in any way it so wishes even to take them all without permission. No permission is needed for anything and you agree to this by signing hence.

IN THE EVENT OF DOOM

If doom comes and the officials die and there is no longer any council, you agree to DIE with the council and go down with the vessel into doom. You must take as many with you as possible.

SIGN HENCE. SIGN HENCE. SIGN HENCE.
