I'm always scared," stated Pedro as he deftly twisted huge tobacco leaves to create fake popular name Havana cigars in a clandestine workshop in the Cuban capital. Our on the web Cuban Cigars store has been selling an extensive selection of Cuban Cigars, Cohiba, Hoyo de Monterrey, Romeo y Julieta, Montecristo, Partagas, Punch, Bolivar, H Upmann and even more since 1997.

We were the first to sell Cuban Cigars online and therefore we have a long time of experience delivery our products GLOBALLY and provide 100% guarantees on both delivery and quality. The best areas to buy authentic Cuban cigars are the UK (where they are rigidly inspected by exceptional Habanos importers Hunters & Frankau), Spain-which also gets the best Havanas-and the established La Casa del Habanos Cuban government-sanctioned <https://cubancigaronline.com> retail stores; there are 90 of them internationally. I even went to an LCDH store plus they were a little better stocked, but barely... Again, not a one Limited Edition package of anything, not just one LCDH Release container, many of the 5 main brands, very little (a couple of boxes) of Ramon Allones, Trinidad, Bolivar, San Cristobal, Hoyo, etc rather than a single package of Juan Lopez or Vegueros or various other Cuban niche brands.

I actually was told that cigar shops will place orders from Havana and just small amounts of the 5 global brands arrive, heard that recently China has been importing record amounts of Cuban cigars almost like they're stockpiling????? I love cigars, but I simply can't bring myself to pay their prices despite the fact that I really want a Cuban cigars. Fake cigars abound in Cuba, and a tourist travelling the city while smoking a cigar is going to be approached several times by people providing deep special discounts on cigars, especially Cohibas and Montecristos.

If one were to buying cuban cigars, you can simply take the bands off, mail those house, and carry said cigars home in say an extra Dominican container that the cigar shop might have. In order to appeal to the high demand in Cuban cigars, we stock the entire selection of Havana cigars that are imported into the UK. Every brand and every size comes in singles, by the box and cabinet.
