PAY ATTENTION TO THE DETAILS

When you're preparing a home to sell, the little things, both good and bad, can make a big difference to prospective buyers.

Go through the house and fix all of those loose doorknobs, popped screen doors and loose grout around the tub and shower. A coat of fresh paint can work wonders to dress up a house. Wash the windows, hang a pretty fern from the bathroom skylight and clean out your closets. Arrange your furniture to make the room look larger, and if your rooms look cluttered, put excess pieces you don't need into storage. Increasing the wattage of your lightbulbs will help brighten things up. Going the extra yard to showcase your home will pay significant dividends when it's time to show it to buyers. The less imagination people must bring with them when they look at your house, the greater its chances of selling quickly for top dollar.

If you are considering a move, contact the professionals at Monument Properties. Come by our office at 85 Warren St. in Charlestown or call us at 241-5900.

On Saturday, prior to meeting and posing for pictures with local children at Doherty Park, they visited the Shriners' Burn Hospital and the children at Mass. General Hospital, bringing a bit of cheer to those little ones . . . a true act of kindness so typical of "Townies" and so often unheralded!

★ Neighborhood Council Meetings . . . Monthly Meeting

The monthly meeting of the Charlestown Neighborhood Council will be held at 7 p.m. on Tuesday, July 6 at the K. of C. Hall, 75 West School St.

Basic Services Committee

The Basic Services Committee will meet at 7 p.m. on Wednesday, June 23 at the Charlestown Community Center, 252 Medford St.

Stephen Collins, community liaison for the Central Artery/Third Harbor Tunnel project, and other representatives from the project will present information on employment opportunities.

The council meetings are open to the public, and all are welcome to attend.

★ Main Street . . . Once again Main Street is the site of yet another bicycle-motor vehicle accident.

The accident occurred at approximately 5 p.m. on June 12 in the vicinity of 300 Main St. According to the police report, a 1993 Nissan was being operated by a man from Groton, Mass. in a northerly direction on Main Street when a 13-year-old Tewksbury boy came out of Tibbetts Town Way onto Main Street on a bicycle without stopping or slowing down.

The report went on to say that the driver stated he was driving 20 to 25 miles per hour and attempted to stop when contact was made.

The vehicle reportedly had left front fender, hood and windshield damage, and the bike was totaled.

The boy was taken to Mass. General Hospital by a Health and Hospitals ambulance for leg, back and head injuries.

★ Citywide Town Meeting On Education . . . A town meeting, entitled "It Takes A Whole Community to Educate A Child," will be held at Faneuil Hall from 3 to 5:30 p.m. on Saturday, June 26. The meeting is being hosted by the Boston Persistent Poverty Project of the Boston Foundation and co-sponsored by more than 21 citywide and neighborhood organizations.

At the meeting, students, parents, teachers, administrators, union representatives and other concerned citizens will be encouraged to be engaged in a constructive dialogue about how Boston can come together to create schools that work well for all students.

In addition, mayoral candidates and civic leaders have been invited to attend. The town meeting will be cablecast by Boston Neighborhood Network TV. For more information, call Lori Smith at 723-7415.

★ Clarification . . . In last week's "Around The Town" column, it was reported that Charlie Clabaugh, aide to Boston City Councillor Robert Travaglini, testified in support of an application presented to the city of Boston Licensing Board by CSTA Productions Inc. on June 9 for a 7-day All Alcoholic Beverage License with a 2 a.m. closing for 258-260 Main St. The application was denied by the board.

Clabaugh relates that in actual testimony, he gave a "conditional support" to the application providing the principals come back to the community with their plans for the site.

★ Street Reconstruction Update . . . Mario Susi & Son continued street construction work this week on Prescott and Prospect streets while the landscape sub-

contractor, Schumacher, continued planting and bricking in the tree wells on Mt. Vernon, Russell and Bunker Hill streets and Old Rutherford Avenue. Susi also did a good job picking up and getting things ready for the Bunker Hill Day Parade, Road Race and other festivities on the streets within the project limits.

On Prescott Street, the roadway was compacted and fine graded in preparation for paving and the new sidewalk was completed.

On Prospect Street, Susi continued to excavate the roadway and put in a new gravel subbase. He also started the preparation and pouring of the new concrete sidewalks. The new fire alarm box was installed at old Edgeworth Street as well. The Boston Gas Company was on site to install the service feeds to the new gas lights as Susi excavated the trenches.

Susi started the new gas light work on Monument Square this week with the cutting of the pavement and the installation of many of the new gas light bases. The gas company is working with Susi on this street also to install the gas service connections to the new lights.

As the job approaches the last couple of streets, the Boston Redevelopment Authority, city agencies having authority over the various portions of the work and Bryant Associates are working on the development of punchlist items of work. This work listing is for the clean-up and repair of deficiencies found in the contract work, such as repair of a sidewalk that has cracked or connecting roof drains, etc. It is anticipated that this type of work will be on-going as construction winds down on the last couple of streets on the project. There are still gas light installations and paving to be done on several streets as well as the fall planting of trees. New street signs and pavement markings like crosswalks and stop lines have yet to come, but probably will within the month.

On the Mead Street stairs project, the contractor has been doing punchlist work and we are waiting for city agency inspections before the project can be closed out and accepted. The signs and internal crosswalks should be done shortly.

Questions, concerns and complaints are being handled by Community Liaison Peter Looney at 722-4300, ext. 5674.

Davis-Mullen A Candidate For Boston City Council, Citywide

In what will be a common sight amongst Bostonians for years to come, there was another demonstration in response to Boston's skyrocketing water rates. But this time, it was none other than Boston's own Peggy Davis-Mullen announcing her candidacy for Boston City Council At-Large.

It is not right that any household has to decide between putting food on the table or paying an outrageous water bill," Davis-Mullen said. "The MWRA is strangling the life out of Boston families."

According to the MWRA, the federally mandated cleanup of Boston Harbor is

MEMBERS of the Gillen, Callahan and Scalli families were among those on hand in the Charlestown Navy Yard for the announcement by Peggy Davis-Mullen of her candidacy for Boston City Council At-Large.

Surrounded by a crowd of over 75 supporters from Charlestown and the North End, as well as curious onlookers from the Navy Yard, Davis-Mullen re-affirmed her commitment to the neighborhoods of Boston and officially threw her hat into the ring for one of the four at-large Boston City Council seats.

"You can bet your hard-earned dollar that, with an open mayor's seat, an open district city council seat and three vacated at-large council seats, there will undoubtedly be a change in Boston," Davis-Mullen said. "However, I'll bring change to Boston that you'll like for years to come!" she added.

Davis-Mullen chose to announce at the Massachusetts Water Resources Authority (MWRA) offices in Charlestown to send a clear message that she will spend as much time as needed to solve the water-rate crisis

the "alleged" culprit in the excessive water rates facing Boston taxpayers. "This is not a time for finger pointing, but a time for action on behalf of management and the government, and I'll personally see to it that action is taken and all possible solutions are thoroughly discovered and researched" she continued.

Davis-Mullen received more applause after outlining her plan for a "New Boston," a plan in which she will use her council powers and her strong ties to the State House and Congress to fund and find relief for Boston's neighborhoods. "The job of a city councilor should not stop in the chambers of City Hall," she said. "We are elected by the people to represent and protect their combined interests, whether it is crime, schools, the economy, the water rates or taxes, by any means possible. As

**LOW VARIABLE RATE.
LOW DOWN PAYMENT.

and best of all...**

NO FINE PRINT!

Take a look at the other mortgage ads in this paper. Some banks boldly advertise a specific, low rate.

But read the fine print.

To get the rate, you may need to dish out a lot of money for points and a 10% to 20% down payment — not to mention appraisal fees, bank attorney fees and other "hidden" closing costs.

At USTrust, we offer a special mortgage program that features a low, competitive rate... a low down payment... no points... and no closing costs. We even offer a reduced \$250 application fee which is totally refundable at closing. Plus, you can earn up to \$55,000 and still qualify. Best of all, you can borrow up to \$171,000 on a single family home. Other attractive terms are available for condos and multi-family dwellings.

So read the fine print in our competitors' ads. Then call or visit USTrust today. Get the mortgage you need, the value you want and the honesty you deserve.

Happy Birthday, Bunker Hill

"This Column stands on Union!"
Daniel Webster told the crowd.
When he christened the Bunker Hill Monument
One hundred-fifty years ago.

Upon its grounds with time to spare,
An afternoon walk finds me here
looking over this sprawling estate.

I'm reminded of the words I passed by
at the entrance of New Hampshire's gate

Inscribed in granite is the phrase —

"We stand, united in strength."

What matters great in any cause
Is the idea which carries weight —
That courage in a true man's heart
Is seldom called on late.

And nary too late were too many
Back in June 1775,

When Prescott commanded astutely
"Don't fire 'til you see the whites of their eyes!"

This obelisk stands as a testament

Of the call to freedom's cry.

This structure details unity

Within the column's line.

A symbol for America

A source of Townie Pride.

We know it like a brother;

In our hearts we've always sensed

A familiarity surrounding us

Ever since we climbed its steps.

So Happy Birthday, Bunker Hill,

Let your banners greet the afternoon breeze

Forever we are grateful

For the joy it is to be free.

Letter To The Community: 258-260 Main St., Charlestown

Dear Charlestown Community:

When CSTA spoke to businessmen, associates, financiers, and professionals within the greater Boston area and outlined the proposed development of 258-260 Main St., we chose to disregard the phenomenal disparagement voiced against those disenfranchised segments of Charlestown who believed that no good can come from development in their city

I Hope You Are Proud Of Yourself!

This note is for the person who slashed my four tires on June 14. It's too bad you don't have the nerve to face people when you do this, but maggots like you do their sneaky deeds in the dark.

That was my car. I now have to get four new tires. I work hard for a week's pay. I hope you're proud of yourself. At least I can get up in the morning and face myself. I wonder how you manage to do that.

Peggy Sindoris

My Thanks . . . And Congratulations

Dear Gloria:

Having enjoyed another successful celebration of the anniversary of the Battle of Bunker Hill, my heartiest congratulations go out to the many volunteers and organizations that made the Pride Week events so special. In particular, I would like to thank **The Charlestown Patriot** for providing detailed coverage of the activities surrounding Bunker Hill Day.

It was a pleasure to celebrate the week with so many dear friends. I was truly overwhelmed with the honor of being recognized as an "Honorary Townie" during Saturday's concert at the monument. While I have received my share of awards during my career in the Legislature, none has tugged at my heart in such a way as this recognition. Having worked for the community for many years, I truly feel a part of your hopes and dreams and have enjoyed every minute serving as your State Representative.

Finally, I would like to thank the people of Charlestown for yet again demonstrating your proud spirit for the community. Charlestown has more than historic landmarks; it has people that care for one another and their town. Congratulations on a job well done!

Sincerely,
Richard A. Voke
State Representative

I Really Enjoyed Running

To The Editor:

I really enjoyed running in the Bunker Hill Day 8K Road Race this year for the first time. It was very well organized and there was a good turnout. The weather was perfect.

It looked like the Boston Police Department might have donated their services (otherwise a costly expense on race day — particularly a Sunday) and so a large amount of the proceeds (perhaps all) will go to the Charlestown Boys & Girls Club. I hope so.

Everyone in Charlestown was most supportive — even encouraging those "in the back of the pack" like me. Lots of drinking water and cooling water from hoses was provided along the route — more than one sees at other races in the city. There was excellent medical attention at The Finish (fortunately I did not require it!). I'm sure the Raymond Group pitched in with expenses for some of the after-race refreshments! All in all, it was a great race for a great cause. I imagine many of the runners were former members of the Charlestown Boys & Girls Club, giving back what they had received.

that had anything whatsoever to do with the service of alcohol. We committed error.

We committed error in not seeking the input of those wiser members of your community who are educated and experienced in matters of financial investment in the development of property in our pursuit of due diligence for the corporation. It appears we have been saved from violation of our fiduciary duties.

We committed error in not recognizing that no matter what is attempted within the confines of Charlestown, all ultimately reverts to inequity, deprivation, drug and alcohol abuse and immorality. Alas, we ought to have realized this.

We committed error in not recognizing that no matter how highly the community thinks of Anthony Costa, he did after all own the "Blue Mirror" some twenty years ago, a bad place, and that he would turn any development into such an operation again.

We committed error in not recognizing that Charlestown has the right to remain cloistered, apart and distinct from development, reveling in its heritage and committing itself to its bright prospects of the future.

We thank the Neighborhood Council for giving us the opportunity to appear on their agenda on Tuesday, June 1, 1993 and address their concerns. We apologize for not being better prepared.

We do applaud the Patriot's courage in publishing this address.

Volpone (1606) Act II Sc 2.

Enclosed are two publications, (The Charlestown Patriot, June 3 and June 10, 1993).

When you have the time I recommend glancing through the pages and realize that many people in Charlestown do great things and are silent, seeking neither praise nor glory.

The Bunker Hill Associates had their eighth annual breakfast with more than 400 members of this great community in attendance. All proceeds are presented through various programs to the youth of Charlestown.

Charlestown Pride Week ran from Sunday, June 6 through Sunday, June 13. A listing of the scheduled events for "Celebration Week" appear on page 18 of The Charlestown Patriot.

It would not be possible for these events to be organized or administered without workers. Take particular notice that no names are mentioned. They (the workers) labor in silence, nobody takes credit and the children of the Town celebrate in the true tradition of Bunker Hill.

Some day, after your editor transfers you from the "negative section," we will have lunch to discuss the many positive points of the citizens of Charlestown.

Yes, I subscribe to a code that my mother taught. Mother said, and I quote her, "If you cannot say something nice about a person, say nothing at all." I am willing to wager the price of the luncheon that your own mother spoke the very same words to you.

■ **Bunker Hill Day '93** . . . I've celebrated many a Bunker Hill Day, but this year, Parade Day seemed to be extra glorious. As usual, I did a lot of walking around and everywhere I went, people were just having a good time and really enjoying living. It was a perfect day, and what Charlestown is all about really hit a new height. My congratulations to everyone who made the day such a beautiful success, and it was a great way to begin, what I feel, is going to be a great summer in Charlestown.

■ **Junior League** . . . Charlestown Pride's Junior League has completed its third week and it seems that more and more youngsters are getting involved in the basketball and ball hockey programs, which is really just the beginning of a program that will keep youngsters involved all summer long.

In the big basketball game of the week, the Green Wave defeated the Black Bears 27-26 in a buzzer beater by

"Speedy" Tu off-setting a fine performance by Julian Rivera of the Black Bears. In another great game, Brian Dole had 12 points to lead the Redmen past the Blue Hornets. The Orangemen were defeated by the Black Bears 47-18. Jose Burgos had 22 points for the Bears. Andrew Vasquez was the leading scorer for the Orangemen.

■ **CHAD Meeting** . . . The next meeting of CHARlestown Against Drugs (CHAD) will take place Friday, June 18 at noon at the Kennedy Center, 27 Winthrop St. All are very welcome to attend.

■ **BNBL '93** . . . The Boston Neighborhood Basketball League is gearing up for another fine season here in Charlestown. Rosters will be available at the Charlestown Community Center.

■ **PAL Basketball** . . . In the "game of the week," Kacvinsky Crew II defeated the Blue Demons 70-59 to clinch third place in the Boston Police Athletic League standings. Joe Kacvinsky and Jeff Houlihan had 20-plus points for Kacvinsky Crew II. Greg Staples and Dave Evers led the Blue Demon offense and the usual hot hand of Andrew Ray was cool.

Playoff action will have the Blue Demons facing BYOB and Kacvinsky Crew II battling the Brickmasters in a best-of-three series. The winners will play for the PAL Hoop '93 Championship.

■ **Keating League** . . . Eddie Pyne got the Player-Of-The-Week honor in Saturday's Keating League action in South Boston, but Charlestown Pride fell short, losing to St. Andrew's of Jamaica Plain.

■ **Co-Ed Ball Hockey** . . . Going into the week, only four teams remain in the Charlestown Pride double elimination Ball Hockey Tournament. So far the action has been smooth sailing and everyone is having some fun.

Game 1: Pat Owens and Jimmy Gillen had three goals each and Nicole Matson added two goals and an assist as the Lancers downed Newtowne 8-5 in the tournament opener. Billy Kempton had three goals for Newtowne.

Game 2: Todd Sgro and Joey Fitzgerald had three goals each, but Main Street couldn't handle Burke's Beauties. The

Beauties' 8-6 triumph was led by Mark Mansfield (three), Chris Russell (two), and Julie Treanor who had a goal and an assist.

Game 3: Club 24 posted a 4-2 win over the Parkies. Pat Woods had the hat-trick for Club 24. Mary Kay Tkachuk and Kolleen Hayes accounted for the Parkies' goal scoring.

Game 4: Jimmy Gillen had two goals and Nicole Matson, Shane Fisher and Anthony Matson had single tallies as the Lancers ousted Main Street 5-2. Chris Brennan and Brendan Brennan had the goals for Main Street.

Game 5: In a battle of unbeaten, Burke's Beauties prevailed, stunning Club 24 by a 7-3 margin. Chris Russell had a hat-trick and Linda Howell and Mark Collins had two goals for Club 24.

Game 6: Newtowne outlasted and eliminated the Parkies in a high-scoring affair, 12-8. Dick Centola had five goals and two assists to lead the Newtowne offense. Corey Gallagher had three goals and three assists for the Parkies.

The standings are: Burke's Beauties 2-0, Lancers 2-0, Newtowne 1-1, Club 24 1-1, Parkies 0-2 and Main Street 0-2.

For the 25th summer in a row, the Boston Neighborhood Basketball League

(BNBL) will be returning to parks, playgrounds and Community Center gymna-

siums across the city of Boston. Each year, BNBL provides close to 4000 young men and women with an organized basketball league for all athletic abilities that's free of charge.

The league is broken down into four divisions: Men's 19-and-under, Women's 19-and-under, Boy's 15-and-under and Girl's 15-and-under. Games are played at 21 different neighborhood locations in Boston on Monday through Thursday nights with make-up games on Fridays. The schedule will run from July 6 until the end of August.

This year, Boston Community Centers, which runs BNBL, is pleased to announce that Lance Tucker has been hired as League Director. Back by popular demand! The enthusiasm shown for this column by children and parents alike was heartening to everyone in the league. Many thanks to you for your interest and the Patriot for the opportunity to showcase our league and its players.

The past year has been one of transition. Illness has drastically curtailed the time that John Curtin has been able to give to the league. We had come to depend upon John to handle the day-to-day tasks which keeps things running smoothly. If an umpire was needed or a district meeting had to be attended or this column had to be written, John was always there to take care of it. I once had a player ask me if there would still be a Little League without Mr. Curtin. The question came as a shock, but it illustrated just how vital this dedicated man had become to our organization. Simply put, John Curtin was Charlestown Little League to many people.

John is not the only person who we miss. A cruel blow was struck when Bill McKeon lost his bout with cancer last summer. Bill was a man of quiet dignity and great faith who led by example. His commitment to and his love for the youth of our community was sincere to the point where it became inspirational. Finally, he was a voice of reason and a winning advocate for Little League and for Charlestown. Bill McKeon was a special man who truly made a difference.

June 7: Teamsters 8 - Boys Club 5

Freddie Arroyo and Philip Jones duelled for six innings and left with the score tied 3-3. The Teamsters scored five runs in the seventh and Jack Kelly came in to hold off a late rally. Arroyo and Brian McCreary had two hits each for the Teamsters, as did Jones for the Boys Club.

June 8: K. of C. 8 - Memorial Hall 7

A two-run single in the bottom of the sixth by Larry Mulcahy gave K. of C. a hard-fought one-run victory. Tim Dacey was the winning pitcher. John Ahearn had two hits and Derek Staples had a triple for the victors.

June 9: Cronin 15 - Jenny's 5

Joe Roche was the winning pitcher. Mark Russell went five for five and Dan Devlin had two hits for Cronin. David Bryson had two hits for Jenny's.

June 10: McKeon Club 17 - Laidlaw 7

The winning pitcher, Ed Kelly, had a double for the McKeon Club as did Zack Brennan. Pat Kane with three hits and Chet Ferrreira and Anthony Sorrentino with two hits each paced Laidlaw.

June 12: Memorial Hall 6 - McKeon Club 2

The winning pitcher, Bob Celata, and hard luck losing pitcher Paul Hennessey both pitched fine games. Russell Groggett had three hits, including a home run, and Mike O'Brien had two hits for Memorial Hall.

June 12: Teamsters 10 - K. of C. 6

A nine-run fifth inning got the job done for the Teamsters. Mike Wilkins was the winning pitcher. John Ahearn had three hits and Jim McGonagle had two hits for K. of C.

June 12: Jenny's 10 - Boys Club 5

The winning pitcher, Ian Burke, had three hits for Jenny's.

June 12: Cronin Club 12 - Laidlaw 10

Dan Devlin and Mark Russell had two hits each for Cronin. Nine-year-old Ray Oritz was the winning pitcher. Pat Doe, Anthony Sorrentino, Geoff Ferreira and Tony Lopez had two hits each for Laidlaw.

That's all of the games this week. Next week we'll add minor league games and standings. The playoffs start shortly. The players really put on a show in these games, so get ready!

Play of the Week honors goes to Larry Mulcahy for his two-run single in the bottom of the sixth giving the K. of C. an 8-7 victory and ending Memorial Hall's bid for an undefeated season. Good job, Larry!

Home Run Derby: Russell Groggett - 3 Mark Russell - 1.

C.Y.O. & St. Catherine NEWS

by Father Ron Coyne

• **First CYO Halfball Tourney A Success** — Thanks to the selflessness and organization of Bob O'Neill, we were able to hold our first annual CYO Halfball Tournament last Saturday in St. Catherine's schoolyard. We had six teams play in a double-elimination tournament, playing seven-inning games. We are grateful to the boys who captained and put together their team.

Congratulations to our winners who will compete in the men's tournament in September. The championship team members are Jimmy Yandle, Donny Kelsey, Mark Shean and Dave Burns.

• **CYO Trip To Montreal** — We will take 20 teenagers to Montreal Aug. 2 to Aug. 4. We will attend the Expos ballgame at Olympic Stadium, spend a day at Mount St. Sauveur Aqua Park and a night at La-Ronde Amusement Park.

We will travel in two vans, leaving St. Catherine's rectory at 8 a.m. on Monday, Aug. 2 and returning home around 7 p.m. on Aug. 4. The cost of \$125 per person includes all of the above and two nights at the Radisson Gouvernours Hotel. Anyone interested in going on the trip must be 13 to 19 years of age. The chaperones are Father Coyne and Linda Lacey.

A \$50 deposit should be left at the rectory. Every person must have a birth certificate to cross the border and a permission slip.

• **CYO Deep Sea Fishing Trip** — We will board a bus on Thursday, July 22 at 7 a.m. at St. Catherine's rectory and charter a fishing boat out of Plum Island to take Charlestown teen-agers between the ages of 13 and 19 on an all-day trip. The boat will leave at 8 a.m. and return to port at 2:30 p.m. The cost is \$15 per person. You may bring your lunch or purchase it on board the boat. We will award \$25 for the first edible fish caught, \$50 for the biggest fish caught and \$50 for the most fish caught. Please sign up at St. Catherine's rectory and leave \$15.

• **CYO Girls Softball** — Our four girls teams have finished a couple of weeks of their regular season and we are grateful to the men coaching our under-14-year-old team, the Bantams.

• **CYO Harbor Cruise** — The annual CYO Harbor Cruise, which includes 1,000 teen-agers from Boston and the suburbs, will take place on Monday, July 12 and Monday, July 19. We can take 40 teen-agers from Charlestown each night, and you may go twice if you like. The cost is \$10 per person.

The bus leaves St. Catherine's rectory at 7 p.m., the cruise is from 8 to 11 p.m. and we're home by 11:30 p.m. You must be 13 to 19 to go. Please sign up and leave the money and the date you wish to go at the rectory.

• **Grateful To CYO Tee-Ball Coaches, Parents and Players** — We have just about completed our third season of CYO Tee-Ball for 3- to 7-year-old boys and girls and this year welcomed over 250 children into the program. We are deeply grateful to Gene Lawrence and all the wonderful people who spend their time teaching our children to enjoy life in a healthy way and learn how to be involved in organized activity.

They will finish up their season with a spaghetti supper in St. Catherine's hall on Wednesday, June 23 and a cookout at the Oilies for all players, parents and friends on Saturday, June 26.

This activity is the first introduction of Charlestown children to the opportunity of meeting so many other children from our town and experiencing many adults willing to help them grow. We are truly indebted.

• **Hulk Hogan Returns** — We have 40 tickets for the wrestling matches at 8 p.m. on Saturday, June 26 at the Boston Garden to welcome back the World Wrestling Federation Champion Hulk Hogan. They are now on sale at the rectory, 49 Vine St. for \$9 each. All ages are welcome.

• **Washington, D.C. . . . Here We Come!** — On Sunday, June 27, 34 of our children, teen-agers and adults will travel to Washington, D.C. with the altar boys. The bus will leave St. Catherine's Church at 7 a.m. The final payment is now due.

Davis-Mullen A Candidate For Boston City Council, Citywide

(continued from page 6)
 your city councilor, I will work with my colleagues, the mayor and Massachusetts state officials to enact your ideas and solutions for Boston's future," she continued.

Under Davis-Mullen's New Boston plan, she focuses on improving Boston's economy, streets and taxes by luring businesses, home owners and families to locate in Boston. "We will start with the restoration of 'walk-to' schools in the Boston Public Schools, the hiring of more police and firefighters and by offering

companies such as Stride-Rite and the Patriot Paper Mill, incentives to locate and stay in Boston." She continued, "It's that simple, more businesses, more home owners and more families mean more local spending, more jobs, a larger tax base and money to fund safe streets and education."

Davis-Mullen has pledged that she will effectively work with Boston's leaders, businesses, unions and community groups to enhance Boston's reputation as a world-class city. (political announcement)

Three Charlestown residents were among the winners of the 1993 Boston Management Consortium Management Excellence Awards, given on June 1 at Bank of Boston. The Valuation Division of the city's Assessing Department, which includes Deputy Director of Valuation Joanne Graziano, Supervisor of Assistant Assessors John Taglilatela and Wesley Taylor, all of Charlestown, won the Fidelity Investments' Follow Through Award.

The group was recognized for its evolution into six district-based assessment teams, each encompassing several Boston neighborhoods, and the joint efforts of management and staff to work together to develop a full-service approach to valuation operations, provid-

Win Management Excellence Award

ing expertise and information on all property types in each neighborhood.

The District Autonomy project represents the department's 10-year commitment to educational and professional training of its valuation personnel, and an ongoing five-year mission to decentralize assessing and computer operations. The results of this effort have included a savings of hundreds of thousands of dollars that had formerly been paid to valuation consultants, an increased knowledge of business activity in each Boston neighborhood, improved operations in the face of reduced resources and the provision of professional, educational and promotional opportunities to its employees. District Autonomy has also provided for

an increased municipal government presence in the community.

The Boston Management Consortium, a public-private partnership between 100 member organizations from the business community, academia and the city government, provides the best of Boston's trainers, consultants and problem solvers to help city government to work more effi-

ciently and find solutions to key urban issues.

The Management Excellence Awards recognize teams who have improved and enhanced city services to the people of Boston by applying quality management and organizational development learning to their work. Winners of the 1993 awards were selected from over 80 competing teams by leaders from the business community.

Voke Prepares For Debate On Auto Insurance Reform

State Rep. Richard Voke said he was pleased to see that the legislature's Insurance Committee passed an insurance reform package. This initial plan calls for a wide range of reforms to the auto insurance procedures of the commonwealth. Voke indicated that he looked forward to debating the merits of the bill when it reaches the full body of the House.

"While auto insurance rates continue to skyrocket, I am pleased the Insurance Committee has offered a blue print for auto insurance reform. I particularly like their demands for a strong crackdown on insurance fraud. Honest folks should not have to pay for those individuals who use deceptive practices to make

a buck," said Voke.

According to the proponents of the insurance reform plan, basic insurance policies for automobiles will be less expensive under their initiative. The measure will benefit working families, senior citizens and new drivers. Those with poor driving records, however, will be required to pay more.

Voke said other reforms include the establishment of an Auto Insurance Trust Fund which will provide \$400,000 to Boston to fight a high incidence of insurance fraud and car theft, a five year suspension of a driver's license for anyone convicted of auto theft, the election of an insurance commissioner rather than a gubernatorial appointment and several medical and legal reforms aimed at reducing insurance costs.

"By enacting sorely needed reforms, the legislature's goal of making auto insurance more affordable for consumers is one step closer to fruition. As the dialogue continues on ways to reach this goal, I will remain vigilant in my efforts to reduce insurance premiums," concluded Voke.
