# ***INTRODUCTION***

Are you missing out on your favorite activities because of joint pain? Are you afraid of surgery to treat your pain? Do you wish there was a way to avoid surgery and still get relief? Pain, no matter the cause, can stop you in your tracks. Whether it's a sports injury, arthritis pain, or another type of joint pain, when it hurts to walk or sit, you're limited in what you can do. When pain affects your daily routine and limits you from doing simple activities, it is time to take action to heal your body. If you've been searching for **regenerative medicine near me**, your search is over. **QC Kinetix (Grand Junction)** provides non-surgical regenerative medicine treatments for joint pain to residents of Grand Junction, CO, and surrounding areas. Our biologic therapies are a perfect solution for anyone seeking alternatives to surgery for pain. If you're looking for knee pain treatment, hip replacement alternatives, or relief from shoulder pain, elbow pain, wrist pain, arthritis pain, or treatment for sports injuries, QC Kinetix (Grand Junction) can help. We can help you get relief while avoiding surgery, so you can return to your normal life activities as quickly as possible.
