

HOW GUIDEPOINT VIP WORKS

The Guidepoint VIP operates very much like a home security system that is monitored 24/7. A home security monitoring system offers protection against intruders and loss of valuables in the event of a break-in. The Guidepoint VIP does the same thing for your vehicle and more.

RAPID RECOVERY, 24/7/365.

In the event of a "smash & grab" or vehicle theft, the Guidepoint Response Center will identify your vehicle's exact location – anywhere throughout the U.S., Canada and Mexico. Then, Guidepoint's recovery specialists will work with law enforcement non-stop until your vehicle is recovered and returned safely to you – often in as little as two hours.

THE HELP YOU NEED. ANYWHERE. ANYTIME.

Having a Guidepoint VIP in your vehicle entitles you to more than fast and reliable stolen vehicle recovery – it also protects you in case of any emergency with E-call Emergency Dispatch Service. When you're facing trouble on the road, the Guidepoint Response Center is standing by 24/7/365, ready to step in.

With one call from your cell phone or using the VIP Smartphone App, we'll rush you all the help you need, from the police, the paramedics and the fire department. We'll even dispatch a tow truck when your vehicle becomes disabled for any reason. * * * *

* Members must update account information annually to maintain Response Center Services.
 ** One year term renewable.
 *** Free Dispatch Service does not include Roadside Service Fees.
