

TIMETABLE

Effective June 27, 2019
to September 29, 2019

Air Canada is Canada’s largest domestic and international airline serving more than 215 destinations on five continents. Canada’s flag carrier is among the 20 largest airlines in the world and in 2015 served more than 41 million customers. Air Canada provides scheduled passenger service directly to 64 Canadian cities, 52 destinations in the United States and 78 cities in Europe, the Middle East, Asia, Australia, the Caribbean, Mexico, Central America and South America. Air Canada is a founding member of Star Alliance, the world’s most comprehensive air transportation network serving 1,330 airports in 193 countries. Air Canada customers can collect Aeroplan® Miles for future rewards through Canada’s leading loyalty program, and Altitude members enjoy reciprocal frequent flyer benefits including lounge and priority services.

1. Select a flight from your originating city to a connection city that is on the route to your final destination.
2. Take note of the arrival time and add the minimum connecting time.
3. Select a flight from your connecting city to your final destination which leaves after your adjusted arrival time.
