Welcome to the 35th Nordic Congress of Dermatology & Venereology

Dear colleagues and friends,

It is a great pleasure to welcome you to the 35th Nordic Congress of Dermatology & Venereology, NCDV 2022 in April 2022.

We will celebrate what new things we have discovered together, what we have learned from our discoveries and what we can achieve together for the benefit of our patients. We will do this through a series of carefully orchestrated sessions, designed to catch your attention and maximise your benefit through didactic design.

We look forward to seeing you in Copenhagen in April 2022!

Kind regards, On behalf of the Scientific and Local Organising Committee
