

Enjoy high-quality live casino games on 1xbet canlı

1xbet started its online betting industry in the year 2017 for the very first time, and since then it has succeeded to become the favourite of users in a short time. It has also become one of the most reliable online betting sites available today. One of the attractive features of the site that attracts more customers to it every day is its fast deposit and withdrawal services and also its experienced customer service.

1xbet canlı or live casino has been operating for quite a while without any issues. Users can access any casino game they want, and the site provides very high rates performing better than their competitors in the market thanks to this feature. The feature is also favoured as it allows you to play with real dealers. The 1xbet canlı section provides its members with bonus promotional offers enabling them to earn a 20 per cent bonus in the casino section, for those who are also members of the online betting.

Apart from the above, an everyday 500 TL bonus campaign valid in slot games and live casino earned through Cepbank, QR code, bank transfer, Token cars, token wallet, and other deposit transaction methods. Also a deposit bonus valid for the first deposit made to 1xbet live casino gives a bonus up to 500 TL. Live casino games such as live roulette, live blackjack and live baccarat are available on the website. The site also provides a highly technical support team of the 1xbet canlı site to help out their customers when required in the live support section 24/7.
