

# Happy Days St Minver

## Outdoor Learning Programme

**An exclusive opportunity for your child to come and experience all of the benefits of being active in the fresh air at outdoor learning afternoon programme**

### **Monday – If you go down to the woods today...**

Come and explore our woodland area and see what surprises are in store

### **Tuesday – Natural magic!**

Make and create your very own nature wand and crown using natural treasures

### **Wednesday – The Gruffalo**

Imagine the Gruffalo story - walk, discover and experience the sights, sounds, smells, taste and feel of the whole Gruffalo story. Climb into the log pile house and taste the Gruffalo crumble!

### **Thursday – Make your mark**

Experiment different mark making skills using homemade paint brushes from leaves, flowers, sticks and feathers. What natural masterpiece will you create?

### **Friday- Natural Science**

Science and nature – there's lots in store. Amazing experiments – let's go and explore!

**If you think your child would enjoy our unique outdoor learning programme then please speak to Claire or Lauren as we anticipate these places will get booked up quickly!**
