Remove yourself from the Legalised Slave System.

Important

Online Seminar 15-16th April, 2023.

Registration closes 10 April.

Late registration is possible if living in central Auckland by 13 April, 12pm, sharp. Reason being is that important affidavit documents need to be couriered to each individual - and that takes added time.

Hi 😊 and a big **Thank you** for your interest in removing yourself from the **Legalised Slave** system in which many of you are realizing you are currently entrapped. I look forward to meeting you online.

Here's an offer to help you, and anyone else who wants to exit from the **Satanic Legal System** we are unwittingly enslaved into.

I have spent **over 30 years** refining my understanding of a new way, while also successfully using my focussed paperwork against the Police and so-called 'Justice' System.

I have **walked out of their 'caughtrooms' 13 times without one single prosecution.** I spent a decade using myself as a guinea pig within the system, to prove my process works. And I have worked away under the radar to help many others get out from under their fraudulent, corrupt system.

My process has had a number of successes in the District Courts and 4 recent wins in Family Courts...**where Oranga Tamariki and judges backed off their child trafficking agendas.**

On a Monday in late March 2023, we had a **MASSIVE WIN** at the **Christchurch District 'Caught'**.

Using my **N.A.N. Process** (which you will learn in my Seminar), we restored The People's Right to hold **ANYONE** accountable, for the first time in NZ, if they do **Harm** to us.

This applies to those who have done my **R.O.A.R. Truth** Seminar and then choose to file the supplied Affidavits that are given in the Seminar, and which go 'unrebutted' (you will learn about this) after 14 days.

Please read carefully as I have chosen to make a special offer for this Seminar round.....

The normal donation for the Seminar is \$700.

To give some perspective on this figure, \$700 would pay for **only 90 minutes with a lawyer.**

Secondly, even if you could afford a lawyer, be aware that **no lawyer** will give you freedom from the slavery system into which we were registered by our parents, via the Birth Registration process.

Thirdly, be aware that in my Seminar, you will receive knowledge that has taken me over **30 years to create, study, understand and learn. Equally crucially,** you receive all the paperwork you need to achieve your true freedom..

**But as the old familiar phrase goes: “Wait ...there's more”
...lol**

I have an offer for ye.....

If you book in with a friend for the weekend of 15th & 16th APRIL 2023, then the Seminar cost is reduced to **\$500 each**.

This is for:

**13 hours of learning
plus your paperwork**

**A lawyer friend who has studied the course material,
values it at \$10,400.**

The **Rebuttable Affidavit Set consists of 104 pages.**

You also receive instruction on how to get your own **Personal Common Law On The Land I.D. Card** included, at no extra price. You will be able to use this card to replace the **fraudulent Driver's Licence**, which- as you will learn- does not contain your real name.

This Seminar Special is a once-only offer, strictly for April 14 and 15 2023 only.

Normally, 2 people are \$1400.

Today, the savings is \$200 per person- bringing it to \$1000.

That is a cost of just \$500 each.

And IF YOU BRING ANOTHER FRIEND, it's \$1400 for THREE, to create a strong incentive to bring your trusted

inner circle with you, to learn this crucial information together.

The Seminar runs over two days... starting at 9am on both Saturday and Sunday.

Here's what you get for your investment....

We spend the first day, approx 5 plus hours on Saturday going over the affidavit ... paragraph by paragraph so everyone knows exactly what it is about. **This is the document that gives ye your freedom from Slavery....**as we go through this most powerful paperwork, you will learn why each paragraph is written the way it is and what it means to you.

Then on the Sunday seminar - during 8 hours, you learn what's required to use it, the history, **how we became subjects/slaves of The Crown corporation**, Who the Crown really is, How the CROWN took ownership of all the world's land and people on it, How they created the GLOBAL TRUST then how the words we use - **The Grammar/corrupted English language is used to trick us into the Legal fiction world of The Matrix**, how we have been stripped of ownership of property **WE PAY FOR**, the fraud of the **MORTGAGE** and how we are deceived into believing a mortgage exists. How to remove yourself from Contracts

and how to deal with them, how to sign paperwork so we remain outside their jurisdiction, the **N.A.N. Process** which brings back accountability if **ANYONE does any harm to us**, i.e. via **forced job losses due to the covid mandates....** and how we use their Legal processes and Laws against them to file for damages, **without having to use a corrupt lawyer....**you will learn about the **1852 constitution for NZ that's been kept secret from us** so we can be harvested for our time and money...Allodial Title and how to go about that properly which no one is doing yet successfully in NZ,....that's because **Admiralty Law has no provision for Allodial title....**only in old English common law, **under our hidden 1852 NZ Constitution which I can restore using part 2 of my affidavit process.**

People are being misled by fools who claim to know how to get out of paying their rates, whilst they are slaves they will have their homes sold out from underneath them, like happened to Penny Bright a few years ago in Aucklandpeople have very short memories, those fighting Councils using Equity Law will lose their homes as sadly Penny Bright experienced.

It's a full-on weekend where **you learn way more than ye will learn by engaging any lawyer...**to put the cost into

perspective ..**500\$ is less than 2 hours with a average lawyer**, you won't learn what I teach you from any lawyer...my 30 plus years was done so you won't have to spend the same time learning what I now know and **share with you.**

I have done the hard work for you...all put into 13 hours approx for a donation that's seriously dam cheap.....**ALL DONE on ZOOM so you don't even need to leave home to do it.**

.... 2 hours with a lawyer WON'T get you freedom from the Legal system that I can give you..!!!

Included with the Sunday seminar you can get your personal common law on the land I.D. Card which replaces the fraudulent Drivers Licence card as your I.D.

NZ Police have accepted my cards as I.D. That's huge.

IT'S FREE with the Sunday session.
Normally they are 75\$ plus courier.

Student sues polytech for \$10m over vaccine mandate

Lee Kenny · 12:42, Mar 28 2023

PETER MEECHAM

The former student Tahi Ricks says he was forced to withdraw from the final year of his course when Ara enforced a vaccine mandate for teachers and students.

A former student wanted \$10 million in compensation from a Christchurch polytech after his dream career came “crashing to a halt” because he didn’t have the Covid-19 vaccine.

This is the Stuff article about the ChCh case **we won** on Monday. The judge reserved his decision regarding the amount of compensation ...not the case, **our paperwork was upheld as correct despite 2 lawyers doing their best to get it struck out.**
