Frazeysburg Lions Club Education Grant for 2019

"The International Association of Lions Clubs, Cognizant of its humanitarian role in society and the relationship between nature and culture and human life, asserts that man can come to an authentic and full humanity only through the cultivation of those natural qualities and values which will enhance the integral development of the human person, the good of the community and society in general."

"It further affirms its belief that man's intellect can be developed to result in the ability to understand; and in understanding, man will hopefully govern his actions in terms of his social consciousness and a proper sense of morality."

-From Policy Statement "On Cultural Activities."

The Lions Club of Frazeysburg would like to award one or more grant(s) to students who were graduating seniors Tri-Valley High School and that will be accepted into a minimum of a degree from an accredited college, technical school or trade school. The award(s) will be presented to the student(s) who can write the best essay(s), in five hundred (500) words or less.

The subject of the essay is: "Why I would make a good Lion."

All references to your name and any connection you have to the Frazeysburg Lions Club and/or any club member are to be placed on a cover sheet attached to the essay.

To ensure that all entrants have an equal opportunity to receive an award **any of the above mentioned items that are in the essay will be blacked out** before being presented to the judging committee.

It is our hope that you can obtain the information for this essay from your school library, newspapers, or from a friend that is a Lion member.

The essays will be judged by a committee within the Lions Club. If needed some finalists **may** be asked to present their essays at a club meeting where the winner(s) will be chosen. The check will be presented to the winner(s) upon proof of acceptance as a full time student at any accredited college.
