

the Imperium of Diamond's and the Plea to the Foreign Policy, the Government's, the State's, the People and the Businessman's, the Plea for Common Cooperation and Organizing of the Imperium of Diamond's Culture Center's in the World, and therefore Common Support or Profit

the Earth
27.06.2016

Good day to Every Man,

my name is Peter, the King Peter Gottwald, today I'm the King of the Imperium of Diamond's form of the federal government.

the Imperium of Diamond's, form of the Ideology and Cultures Based on Peaceful relations and Interest or Activities. the Imperium of Diamond's and Ideology about the Global Unification of the Nation's and States, development of the One World, support world Peace and Safety, present the World Policy and Global Historical Beginning, friendship of the Nation's and development of the Intelligence, Civilization and our Generation's.

Culture and Ideology of the Maximalization, new time of the Human Race, New Civilization's and Interesting Dimension's, the New Worlds.

Therefore, the King of the Imperium of Diamond's plea to the Global Society, about option for our cooperation and Cultural development, commonly use of the International Rights and Declarations of Rights for free Cultural Share, Present, Expand and Develop, the King therefore plea for right and support for cooperation about the Cultural Center Development.

Plea for support the King of the Imperium of Diamond's in interest of the Culture Center development and planning, Cultural share and public, according support of Local Government and State, our cooperation.

the Strategy and Goal of the ID's Culture Center's, open to the population, presentation of the Cultural traditions, culturally coopered and expand the Ideology, development of our friendship relations.

the Culture, Imperium of Diamond's World, presentation about the Civilization's, the Sky scaper's and the Architecture's, modern view of the World and Social Habits, the traditions and the Ideologies, the Ideologies of the Maximalization and Our Great Generation's, presentation about the Philosophy, the Music, the Movies and Literature arting.

the King Imperium of Diamond's plea, for our cooperation and support to creation of the Cultural team of Employ's from peoples registered on the Offices of the Employ, Laboral work and Statistics, the Manager of the Local State's citizenship, and the His Personal team for the Organizing of activities communication, development and invitation's.

Strategy of the first Culture Center Building, Localisation of ideal property subject and development option's for success of the plan activities development and management.

the Manager can create agreement between the Bar's, Restaurant's, the Tea store, Coffe center's, food shops and similar utilities shopping, the agreement about the Investment cooperation according strategy of the Culture Center Ideology development, and therefore common sale and address with special payment to the Culture Center's for profit on the Culture Client's, meanly according strategy for the Culture Center monthly payment to buy the Build be profit of Restaurant's and Store commerce shopping with obligation and responsibilities to their payment for business place.

the Manager can create agreement between the Artist's, the Producent's and Creative Worker's, people's who can therefore get the right's to the ID's Author Right's use and therefore start mass-production and sale be the Cultural Center and therefore pay few ten's of % from the propagation of the Store.

the Employ cooperative team's according the Manager's agreement therefore can produced sculptures, ceramic design products, the pictures, books, textile's, jewelry and another

Sentiment intelligence be ideology and interest of the Culture. the Philosophy or another art's, too food and restaurant's presentation.

The team of the Organizing of activities communication, development and invitations, the Team can support organizing of the Conferences to the Social Public's, play the documents, or represent the Story, galleries and Art's. Entry for money and management of the business between the Culture Center's and Artist's, too option for development and public the Conference about the Culture, in the Special places of the Hotels, Halls, park's, garden's and special centers.

Standard values of the Culture Center and the Sentiment between the 30 days can expand standardly finance ratification 5.000.000 €, and between the year in the Value may be 100.000.000 €.

Profit can be really great and with the Success, finances for Employ in the Start's.

the Goal, between the 6 month's or to 5 year's is agreement with the Businessman's and about common working and profit according business strategy for development of the Culture Center in dimension as the Skyscraper, the Cultural Center of Social Intelligence and Cultural Store's.

the Skyscraper as the Culture Center's with the Mass-Conference zone's, the Garden's and Galleries, the Restaurant's and Commerce center's, Centers of the Art's, Digital communication and the News, the Music, Movies, and many other profitable options, with the Center's for Labor Art zone's and Cancelling.

Every person who like support common cooperation, support to the Imperium of Diamond's Culture Center's and Liberation, therefore we can immediately agree and I am really very glad for our support, cooperation and great success, I really very Thank for every One and I like if we can meet, or commonly managed.

the Government of the territory where stay the ID's Culture Center's, the Government can too support of the Culture Center's development and therefore too create and agree about our special form of the Bilateral agreement of ID's Culture profit option to use and invested to the Local zone development and modernization.

the Imperium of Diamond's have many of the Most Modern Civilizational plans for Development, the Architecture, the Utilities, the Techno Logics, the Industry, the Agro-culture and many another development options and modernization.

I very Thanky to You, for Your Time, and I support our Success!

the King Peter
