It was a bit like a dream! Why? Flash back to those high school "daze" two of Kola's founders grew his legendary original blueberry in our suburban backyard ☐ (Good thing mom never noticed!) Our first harvest as kids was a beautiful sinsemilla blueberry- call it nostalgia, we ended up picking up another pack of seeds at the show.

CBD Wholesale can be found at Global Cannabinoids the #1 USA distributor, manufacturer of white label CBD, private label CBD and hemp-derived CBD isolates.

Our Pure CBD Isolate is a crystallized powder with CBD concentrations of over 99%. Never synthetic, and never fortified, our naturally high CBD oil starts at 70% CBD and is then gently refined to remove the remaining 30% of plant material all the way down to a single molecule of pure CBD crystalline isolate.

Cultivating stillness, this has been something that has always been difficult for me during my craziest, busiest times of life. My Yoga practice has helped me in many aspects including the practice of stillness. Stillness of mind and body is good for our health and wellness, and yet even with much of the world coming to a screeching halt, I have found difficulty remembering that it is ok to take a pause and remember to Breathe. ☺☺☺☺☺

What does pain relief look like to you? For me, it has to be natural, safe for ALL systems and organs, and not cause dangerous long term side effects. ☐☐ My go to remedy's are:
