Active substance: Methenolone Enanthate Common names: Primobol, Primobolan Depot, Nibal injection, Primobolic Methenolone Enanthate Bayer is one of the most popular AAS across bodybuilders. It is very used during the performance-enhancing cycles. And at the same time, it is one of the safest products across anabolic steroids. It is good for both men and women and is being used as a specific ...

Don't start putting your facial moisturiser on your vulva though! There are specific vulval moisturisers from the like of @sylknatural & @yes_organics but wait and see what Jane has to tell us ☐

time can be such a funny thing! never made a 2 years on T sappy post and this isn't that post either so maybe I never will but we'll see if my adhd finds me prioritizing it at a later date, I have things to say about the stuff but don't feel like going into it fully. this week is 2 years and 1 month. I have like 8 chin hairs and a dirtstache if I don't tend to it, some annoying chest hairs I might get lasered when I strike it rich- not much else
