*In giving reasons for modern teenage anxiety, psychology Amy Morin created a checklist for several reasons why teenagers are suffering from anxiety today. One reason is “some young people are overachieving perfectionists with a crippling fear of failure. Others worry so much about what their peers think of them that they’re unable to function.”? A close-up photograph of a person's hand being touched on the shoulder. The hand is positioned at the top right, with fingers slightly spread. The skin on the shoulder is visible, showing a small mole. A teal-colored overlay covers the right side of the image, containing the text "The healing power of touch" in white. The overall image has a soft, warm tone and a slightly grainy texture.
