The German-African Business Healthcare Symposium is organized by Afrika-Verein der deutschen Wirtschaft (German-African Business Association) and GHA - German-Health Alliance, in collaboration with UNAIDS and Health Innovation Exchange under support of the World Health Summit. It creates a platform for exchange and networking between leading African and German stakeholders in healthcare and serves to present and to foster business opportunities on the African continent. This symposium is furthermore part of a German Business Delegation visit to Uganda from April 27-30, 2020.
