

Missouri DWI & Criminal Law Center

We help good people in bad situations avoid serious criminal consequences. We fight for your freedom and your rights.

What makes us different than all other law firms is that our founder is on the faculty and we are each trained at the Gerry Spence Trial Lawyers College, the premier trial lawyer training program in the USA. Every Kansas City criminal defense attorney at our law firm trained with the best, so our clients can relax knowing their criminal defense lawyer is ready for anything.

Business Hours: Mon-Fri: 8:30am-5:00pm

We are located at 8427 Clint Drive, Belton, MO 64012, United States
