

# How To Install Minecraft

How can I play it on tablets?

Community Answer

You can download it from your app store for around \$7. Thanks! Yes No Not Helpful 6 Helpful 4

- Where can I download it for no cost?

You can download it for free on their website (you won't get the prompt to download it without an account) however, you cannot play the game without buying an account. The \$25.00 that game costs just give you a login. You can't play without having a login. Thanks! Yes No Not Helpful 1

- Question Is Minecraft free on laptops Windows 7?

You need to have an account with Minecraft on your PC. If you have bought an account in the past, you can redownload Minecraft. If you haven't purchased an account yet, you will have to complete this process. Thanks! Yes No Not Helpful 1 Helpful 0

- Question How do I install regular Minecraft without Java?

Belle K. Top Answerer

You cannot. <https://spletne-igre.net/> is an Java game that runs on code and, therefore, requires Java to play the game. Thanks!
