Weekends are a balance for me a a working full time mama! I need to get chores done around the house, but I also want to spend good quality time with my family, as well as have some me time. So often as new moms (or frankly just women in general), the “me time” part gets pushed to the side for all the things we “have” to do. I’ll leave some dishes in the sink so I get some time to workout or read or even take a quick nap while the baby sleeps.
