Anonymous Thank You

On the afternoon of August 15, The Constitution Museum received an anonymous phone call requesting five tickets to that evening's Red Sox/Minnesota Twins game (USS Constitution Museum Night at the Ballgame) be given to Gor Van de Weerdhop, the sailor who saved a young boy on Sunday, August 12. Van de Weerdhop, a sailor on HNLMS ISSAC SWEERS

(Netherlands) rescued the local youth who was visiting the ship, after the boy fell following the collapse of the HNLMS' gang plank.

Persons who wish to remain anonymous heard of the rescue and as a gesture of good will toward another country and to say "thank you" sent Van de Weerdhop the tickets.

The Boston School Department today announced that a mobile van will be visiting Boston neighborhoods beginning on Monday, August 20th and continuing through Friday, August 31st, for the purpose of registering students for kindergarten programs in the Boston Public Schools.

Through the cooperation of the Boston Teachers Union, kindergarten teachers will work

with a parent and an assignment specialist on the van to assist parents in choosing kindergarten programs. The van will be in Charlestown at the corner of Medford and Mead Streets, between 1:30 - 2:30 and at The Bunker Hill Housing Project from 3:00 - 4:00 on August 23.

Parents are requested to bring the child's birth certificate and two proofs of address with them

Tobacco Shop With Discount Prices To Open Soon

Tobacco will be the main item sold at the next new shop to open at One Thompson Square (for-

merly Charlestown Savings Bank Building) September 4 and will feature discounted cigarettes of

all brands.

Joel Katz, owner of Joel's Meat & Produce Shoppe, also located in the community service mall, is the proprietor of the new shop and says he will sell a variety of general merchandise, popular magazines and newspapers, including the New York Times. He asked that shoppers feel free to recommend merchandise they would like to see stocked in the shop.

Joel's meat shoppe was one of the first to open its doors last November and has, since that time,

built a sizeable clientele serving Charlestown residents especially during the more difficult times when Charlestown was without a supermarket. He feels now is a good time to strengthen his retail profits with a product that everyone buys and can be sold at reduced prices. At the same time more Charlestown residents will become familiarized with the shops of One Thompson Square.

The tobacco shop will be located directly across from Tony's Barber Shop and the Yarn Shop.

NEIGHBORHOOD CRIME PREVENTION: WHAT CAN YOU DO TO HELP?

Are you afraid to go out alone?

- ...afraid of being harassed?
- ...afraid of being mugged?

Are you afraid of leaving your home unattended for very long?

- ...afraid it will be vandalized?
- ...afraid it will be broken into?

Do you feel that crime is running rampant in your neighborhood?

Here is your chance to join in making Charlestown a safer community in which to live. Join the anti-crime team...
 Join **BLOCK WATCH**.

What is BLOCK WATCH?

BLOCK WATCH is concerned people watching out for themselves and for their neighborhood. It means getting to know your neighbors and the crime problems you share, and discussing ways to combat them. BLOCK WATCH means action.

How can BLOCK WATCH prevent crime?

By knowing who your neighbors are, who their friends and frequent visitors are, what kind of cars they drive and when they are frequently home, you can more easily spot a stranger in the neighborhood — someone who might be there to cause trouble.

But what if I don't want to be a nosey neighbor?

BLOCK WATCH doesn't mean intruding on each other's privacy. It means keeping a watchful eye out for suspicious activity in the areas that you share with your neighbors — the hallways, sidewalks, courtyards, streets and playgrounds.

What do I have to do if I join BLOCK WATCH?

That depends on your neighborhood and what you and your neighbors decide is necessary to prevent crime in your area. You may decide to take turns walking about the neighborhood and talking to strangers. (Often, a friendly inquiry into a stranger's reasons for being there is enough to reassure you of your safety or to deter a criminal. By asking a stranger, "Are you looking for someone?" you tell him that you know he doesn't belong there and that you are keeping an eye on him.)

You may decide that you only need a neighborhood watchman during certain hours, or that one isn't necessary at all. You may decide that everyone should just watch from his or her home. This is up to you and your neighbors.

But isn't it the job of the police to protect our neighborhood?

Yes, the police are there "to protect and to serve," But, they need your help. They need YOU to tell them how they can protect YOU best. They can only help if YOU call them.

If someone is damaging my neighbors property, why should I call the police?

The whole neighborhood is yours — yours to enjoy and to protect. If you take the responsibility to call the police, you are making your neighborhood safer for others AND for yourself. Besides, if you help your neighbor when he's in trouble, he'll help you when you need it. If the whole neighborhood cooperates, it will be safer for everyone.

How can I start a BLOCK WATCH in my neighborhood?

Call the anti-crime team. They can help you arrange a meeting with your neighbors and set up a crime prevention plan that is best for your area.

Who comprises the anti-crime team?

They are five community members working to make Charlestown a safer place to live — Marie McCarron, Charlie Clabaugh (Coordinator), Pauline Davis, Judy McCarthy, and Kay Rooney. They can't prevent crime in your neighborhood, but they can help YOU to prevent crime.

How can I get more information about BLOCK WATCH?

Call Charlie Clabaugh at 241-8866 ext. 30 or 32.

Babe Ruth Baseball

On Friday, August 17th, a baseball game between the 15 year old All-Stars, coaches and officers of Babe Ruth was played at the "Neck". The 15 year old All-Stars won by a score 8 to 3.

The two pitchers in the game were John Moccia of McAvoy's and Dave (Slip) Mahoney (former M.V.P. and Assistant coach of Mech. Co-ord).

The All-Stars had a team victory with timely hitting and fine defense.

Some of the better players for the OVER THE HILL GANG were Slip Mahoney, Phil Carr and Moe Mahoney both of Carr Club. Nick "Golden Wheels" Pino of Duffy's Wayne Davis of McAvoy's and Manager and Umpire Phil Kelley, and catcher Bob Todd of 520 Club.

Other players were: Bob Collier, Joe Ryan, Jim Dole, Mark Urquhart, Leo Boucher, Ed Coughlin, and Chippa Godding.

A SPECIAL thanks to Kevin Connolly the Umpire, for a fine job, well done.

At the conclusion of the game manager Phil Kelley requested a rematch.

The rematch will be played on Thursday, August 23rd, at 7:00 p.m. at the Ryan Playground (the Neck).

So come down everyone and see some GOOD baseball, and have a few laughs. It's a good night out and let's show our young future baseball stars, we're out to support them.

Voke Denounce Insurance Rate Increases

Representative Richard A. Voke (D-Charlestown) today vigorously denounced the Massachusetts automobile insurance companies' proposal for a 21.3 per cent increase in premiums next year. Rep. Voke,

a member of the Legislature's Insurance Committee, labeled the industry request as "irresponsible" and "totally without justification".

In promising to fight the companies' proposal at the rate-

setting hearings before the Insurance Division next month, Richard declared, "We prevented the companies from being free to set their own rates, and this proposal proves we were right. The insurance industry could care less about the impact a rate increase will have on a Charlestown family, which is already being forced to allocate a larger share of its income to transportation costs because of rising gas prices. All the industry cares about is the profit column on their balance sheet."

To substantiate his claim that the insurance companies have deliberately inflated their request with the hope that some increase will be granted, Voke pointed to last year when the companies sought a 23% increase, but instead, the State ordered insurance rates decreased by 2 percent.

In commenting about his work with the Insurance Committee, Rep. Voke said, "we have made tremendous strides toward holding down the cost of insurance for the people in this district by passing legislation eliminating age and sex discrimination and by avoiding competitive rating, and I don't intend to let the industry intimidate me so they can pick the pockets of my constituents."

Highlights of St. Mary's Day Camp Program

St. Mary's Day Camp concluded its program last week with a Special Mass of Thanksgiving in the Training Field, for the Day Campers and their families. The Mass was concelebrated by Fathers Boyle, Donelin and Jezowski. Following the liturgy were track and field events and prizes, a cook-out, an "ice-cream pig-out", kites and a final trip the following day to Hopkinton State Park. Other day trips during the four week session included trips to Gloucester, Salem, the Blue Hills, Breakheart Reservation, and Scussett Beach.

Wednesday's arts and crafts were coordinated by Mrs. Mary Wilkins and Ms. Ethelwyn Morrison. A visit was also made to the U.S.S. Constitution and the Bunker Hill Pavillion.

Agrees With City Hall

Editor,

I read with great pride about the 5 young men who rescued that police officer off his burning motorcycle. We always hear about the bad kids and it is so great to hear when they do something good. We don't hear about the good things like we do about the bad things our young people do. The reason I like it so well about Charlestown is my mother lived on Bunker Hill Street until she died 3 years ago I

used to see these so called "bad guys" take her rubbish, carry her bundles up to the third floor where she lived and say "okay Mary" I know my mother was very vulnerable at times but they never harmed her in any way. I think they should give these young men who rescued the policeman some sort of a citation. If they don't know who they are give it to them via the newspaper or TV.

Angered At Hit And Run Driver

I have a very good friend of mine, who has been hospitalized at the Beth Israel Hospital since July 3, 1979. He is presently located in Room #887 (The Feldberg Building). His name is Paul Jackson and he is from West Roxbury. On July 3, 1979 at 10:00 P.M. he was outside of his car on Harvard Street, Brookline. He had just completed locking his car, when a ruthless character came driving by, and not only hit him, but ran over him, and then sped off without even looking back. I want to take this opportunity to have that character stop by the Beth Israel Hospital and look into the room that Paul Jackson is in, and take a good look at what he, or she had done to Mr. Jackson. If you do go by (I

doubt you will), I want you to see what you have done to a fine decent young man. He suffered a broken right Tibia bone in his right leg, a fractured left ankle, broken in two places, 20 stitches in his head, had his spleen removed, liver damage, and a neck fracture. I hope the character that did this dastardly act will read this article, and all I can say is that "You are the one that has to live with your conscience, and I can assure you pal, you will never have any luck the

Plea For Help

The grounds of the elderly homes on Oak Street are a disgrace. The weeds in the yard are spilling over the sidewalk, are so thick it is only fit for dogs, flies and bugs. The weeds make it almost impossible for the elderly to come and go through the gates. People using Oak Street have to walk in the street as the weeds on the sidewalk are impassable. The elderly can not enjoy their yard because they would be eaten alive by flies and mosquitoes.

Any solution to solving this situation would be appreciated not only by the elderly but also by the people in the area.

Amy Adams

rest of your rotten life". People like you, ought to be removed from society, and if you had any guts at all, and I doubt you have, you can relieve your conscience and drop by the Hospital and take a good long look at Mr. Jackson.

Sincerely,
Albert L. "Dapper" O'Neil
Boston City Councillor

Resents Letter

Dear Not So Proud Townie, I am a Pleasant Street mother and your letter to the Editor was disgusting! These children you talk about are not bad children. They wrestle alot and even sit on cars, but when asked to, they get off quickly. If they make a mess, many times they are made to clean it up. Show me a child who is so neat as you think these children should be. When a window is broken they pay for it and would not maliciously destroy anyone's property. I know for sure that some of the things that happened on this street are done by children who do not live here.

Maybe you would prefer that they be on dope or get drunk and then you would be fearing for your own safety. I just want to state that they are not bad kids and I don't appreciate your slandering them in the paper. I was raised on this street and so were many mothers still here. Children turn bad because people like you say they're bad and give them no hope of ever being good. They figure if they accuse us when we're not doing any thing, we might as well be bad.

If it was that bad, how come you remain here.

Proud Townie Mother

Was The Park Open Worth It?

The annual Park Open was held last Saturday, August 18 at Trullbrook Golf Course in Tewksbury, and as is the tradition a new champion and resident pro were named.

Although there is no question in any of the "Parkies" minds as to the resident pro, little Ricky "Walter" Charbonnier (my nephew). There is a great amount of speculation as to the credibility of a Leon Spinks type champion - Tommy Johnson. Especially when in the past the Park has been represented by great champions.

Although little Ricky tries to boast of his counter-parts qualities I ask you, "Is it fitting

for the park champ to be spending endless hours standing up the park by himself waiting for the elusive eagle?"

Not to get stuck on one sour point the tournament did produce other note worthy events. Congratulations to Tommy Hickey for the longest drive and Jimmy Devlin who came closest to the pin.

Also many thanks to Jeff Jones who put many hours into running an excellent tournament. Finally, congratulations to David Remy for finishing the tournament, and thanks to Norman and Richie Brennan for developing their own rules in golf.

Brian Hickey
Defeated Park Open Champion

Input Invited On North Terminal Area Planning

Charlestown residents are invited to attend a public hearing to discuss the Metropolitan Area Planning Council's (MAPC) planning efforts in the North Terminal Area. The MAPC meeting is scheduled for Tuesday, August 28, 7:30 p.m. at the Kent School, 50 Bunker Hill Avenue, Charlestown.

The North Terminal Area, located within the cities of Boston, Cambridge and Somerville, has been under study for close to a year. MAPC planning efforts are aimed at assisting the three cities to identify and assess the development potential of the site. At the public meeting, representatives from MAPC will describe their planning efforts and solicit input from Charlestown residents.

The North Terminal Area is bounded on the north by New Rutherford Avenue, on the west by Cambridge and Washington Streets, on the south by McGrath and O'Brien Highway and on the east by the Charles River.

For more information about the meeting call Russell Burke at 523-2454.

MAPC is a regional planning council made up of chief-elected officials from 101 greater Boston cities and towns, 11 state agency representatives and 21 guber-

natorial appointees representing business and consumer interests.

Funded by a per capita assessment on member communities plus federal grants, MAPC works with communities on issues important to the greater

Boston region. Housing, land use, transportation, economic development, water quality, energy, hazardous materials, air quality and solid waste are current, target issues of MAPC involvement.

Townies Visit Charlestown—Ireland

by Marty O'Brien

Recently, five local residents embarked on a twenty-four day journey to the Emerald Isle. Townies Marty O'Brien, Arthur, Joe, and Anne Marie Hurley, and South Boston-ite Paul Martin landed at Shannon, Ireland and set out to see such noted sites as Galway Bay, Blarney Castle, the Ring of Kerry, etc. But one of the high points of their trip was a visit to an otherwise unheralded tourist attraction, namely the township of Charlestown, County Mayo.

Upon their arrival in Charlestown (pop. approx. 500), these five travelers found most favorable accommodations at Mrs. O'Hara's Riverside Guest House. After settling in, the quintet decided to explore the town. Upon entering the town square, Murray's Pub caught the eye of each of the five, so it was unanimously decided to stop there. As they stepped into the pub, the local patrons seemed a bit apprehensive about this group of "Yanks" invading their natural habitat. But when the five "Yanks" explained their reason for being there, and that they, too, were from Charlestown, both sides exchanged pleasantries and soon laughter, story-telling, and a bit of elbow-tipping was the order of business—as often is the case when a group of "Townies" get together.

Of course, Murray's Pub was not the only stop these travelers made in Charlestown, but it is an example of the friendliness and hospitality shown to them in every shop, restaurant, or pub they entered.

While in Charlestown, the Townies met with the Mayor of Charlestown, Ms. Angela Casey,
