

Resident Advisor Mentor Job Description

2024-2025

Mission

Carolina Housing works to provide convenient housing that is secure, inclusive, and supportive. Students create a home in our on-campus communities, build life-long friendships and develop skills for their current and future successes as they journey through their Carolina experience.

Philosophy

Community Immersion is the philosophy that each student's journey at Carolina is unique. It is therefore important that our staff's focus with residents is more one-on-one, connecting students with their community, with the campus, and with opportunities that expose them to all that is available at Carolina. It is the way in which we directly engage residents, sharing in their successes and assisting with their concerns and challenges. In short, it is mentorship. This, in turn, leads to greater student success.

Resident Advisor Mentor Position

Resident Advisors Mentors (RAM) work to create a welcoming on-campus housing environment that promotes personal development, citizenship, involvement, and leadership through the practice of *Community Immersion*. RAMs serve as a resource for RA staff and students in their community as well as a role model at UNC Chapel Hill. RAMs are assigned to traditional residence halls, suite style complexes, or apartment buildings and may be asked to hold a collateral assignment. RAMs are supervised by a Community Director (CD).

RAMs serve as a leader in the department as a whole and in their specific community. In doing so, RAMs will serve as a role model to mentor RA staff members in their roles by helping them to develop positive residential communities. This includes but is not limited to: forming appropriate resident relationships, assisting in the development of programmatic efforts, management of receipts and budgets, helping actualize the spirit of *Community Immersion*, and supporting crisis management efforts. RAMs actively work with the Leadership Team to develop a positive team dynamic amongst their RA staff. This may include but is not limited to: facilitation of trainings and workshops, assistance in leading weekly staff meetings, meeting with staff members on individual basis as needed, and fostering a positive attitude regarding Carolina Housing and community initiatives.

The RAM role is not a traditional 8-5/M-F job. Actual hours of work vary based on the needs of Carolina Housing (e.g., Halloween, sporting events, inclement weather, training, opening, closing, staff selection, unforeseen circumstances) and includes evenings and weekends. RAMs must attend all trainings while employed and work all residence hall openings and closings, including for Fall semester, Thanksgiving Break, Winter Break, Spring Break and Spring Semester/Commencement closing. RAMs are expected to reside in assigned room for a minimum of five nights per week, including 2 weekends per month, in addition to meeting the needs of Carolina Housing listed above. Any additional time away from the community must be requested and approved by the Community Director. RAMs are required to serve scheduled weekday and weekend duty. The frequency of duty will vary from building to building depending on the size of the staff.

A successful RAM has a passion for working with the UNC student population, a commitment to student learning and development, and strong critical thinking and problem solving skills. A successful RAM demonstrates initiative, possesses the ability to work autonomously as well as part of a team, communicates effectively, and maintains a positive attitude.

This job description is meant to provide an outline of critical job functions of the RAM position and is not an all-inclusive list. The RAM serves on a Leadership Team comprised of the RAM(s), and CM and is led by the Community Director. The specific roles and responsibilities of the RAM may vary, as the needs of each Community and Leadership Team may look different from community to community. Through the course of the year there will be times where staff will be called to service based on the needs of the community that may not be outlined in a job description. RAMs agree to meet and

abide by the standards described in this document; the RAM Letter of Appointment; the Student Staff Ethical Principles; the Community Living Standards; the Housing Contract; the expectations communicated by Carolina Housing during trainings and by their supervisor; University policies; and State and Federal Laws.
