

Stalkers Hackers Cowards In Lords Mobile

Intro

The blog here is to show of multiple stalkers, hackers and cowards from the game Lords Mobile. They stalk people in the game; hack social media, email and payment accounts. If you have been in there guild and leave, they will follow you to your new guild and spy on you.

Why they do that? Because they are unskilled stupid losers with no life.

Samuel(Burning Pot) was the guild leader of **BLS - Black Spartans**. and Venus (a R4 in the guild) assist him, they do plans only between them. Theirs friends and them are lying manipulators that only do things for themselves, hacks people accounts, talk badly behind people back and tell lies about them.

They stalked all of their previous members for more than 2 years. In the screenshot below, Samuel is TORTURE x and Presiyana (VENUS ALT).

People that stalk and hack

[Back to First Page](#)

Presiyana Varbonova is liar, manipulator, narcissist and drama bitch. She got no skill and is bad at any game, so she fools other guys to hack other guys/girls more skilled than her accounts and make drama.

She chats with a multiple guys, asks for their photos and talk sex with them then accused them of sexual harassment. She then exchange each guy's photos with the other guys and talk badly about them.

Presiyana is a prostitute that give blowjobs for 10 Euros and have sex with guys for 40 Euros. She then go buy game packs with the money.

We were only friends in-game then I added her on Whatsapp, she got closed to me and told me personal things. I had some doubts that someone would get this closed fast isn't up to any good but I listen to my conscience to give her a chance.

I suspected she got closed to me to learn things and to get closed to Samuel so she can feel like a leader. She is ambitious and manipulative, she doesn't care playing with people to achieve her goals. Now having Samuel full trust, she didn't need to pretend be nice any more. After Presiyana blocked me I investigated and found out that she was telling lies behind my back and sharing our Whatsapp screen to some guys and making lies that I was harassing her.

These screens below are proofs that she is a liar and like to talk badly about guild members behind theirs backs. I'm sharing the screens because Presiyana(Venus) did it first with some guys in the guild. I'm only showing you all the truth.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana befriended me and get closed to me

Normally I wouldn't show the personal screens but only the screens where she talks about Pot and the guild members. But since she is telling lies that I harassed her and asked her things that she didn't want, it leaves me no choice to show the context. Venus said that I was a dear friend. I have taken this screen before she blocked me that why her picture still shows. I knew it would help me in the future. Green background text is me and white background text is Presiyana.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana said that she is always honest, a big lie. An honest person would never talk badly about their friends behind their backs, tell serious lies and share screens.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana said she would give me a gift from the heart for my birthday. Again, someone you just met, she said that. She did it to manipulate me and I felt for it.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Back to Presiyana Menu](#)

[Back to First Page](#)

Asked Presiyana personal questions and her answers

Presiyana told a lot of people that I asked inappropriate questions, she was annoyed by them and that why she blocked me. Bunch of lies, I asked her these questions April-June; she blocked me in July for another reason that I will explain later.

I asked her that question on 16th May 2018. Calculate how long that was and she blocked me on 13th July 2018 which shows why later.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Here (same screens as above without the date) I asked her a personal question about her virginity to see how open minded she was because she was pretending to be too closed to me. Presiyana seems to react fine in those screens.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana here told me to talk whatever I want to and that she understands me. She even said it is normal to be curious about it. Now she goes around tell people I asked her inappropriate things.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana told me that her sex fantasies were to do gangbangs, sex with horses/animals and she puts sticks in her kitten holes. She is fucked up, she abused animals. I doubt she is a virgin like some people doubt too. She pretends to be introvert but talks with 10+ guys at the same time, request their pics and talk badly about each other.

Presiyana tell lies about inappropriate question about the bra size joke as birthday gift. It was only a joke, she talked about her virginity, masturbation, her period and even said my adults' jokes are fine. But since I told Pot about how she was manipulating guild members and tell lies around them. She spreads lies that I was harassing her.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana even said "lmao" meaning Laughing My Ass Out", that is laughing a lot more than LOL. She didn't show you guys that, she hid the part where she was laughing. Shows how much of a lying manipulator she is.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana asked Zippy for dick pictures

Below Zippy told me that Presiyana asked him about his dick's pictures. Some people told that Venus asked them for personal pictures, I won't be surprised she asked a lot of guys for their penis pictures as Zippy told me below. V stand for Venus(Presiyana) and D for Dick.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Presiyana talked badly about other guild members and people](#)

Presiyana talks badly about everyone in the guild, she is a coward that can tell people what she really thinks. Below are some examples, I'm sure there are a lot more of her talking bad with the other guys she talks with.

Presiyana talked badly about Circe

Circe is a good girl, Presiyana talked badly about her, what a shame. If Presiyana has a problem with Circe, talk to her not to talk badly about her behind her back to multiple guys.

Circe wasn't responding to one of my mail, I asked Presiyana a simple question. Look how long she types when she talks about people. When I talked games with her, she didn't type that much.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Circe was doing a supply quest for Guild Fest, who else other than bank can supply that amount? Presiyana always supply to her alts and Pot. Another member, she doesn't help. Pot never send resources to the bank by the way. Bag resources should be last resort, Circe sent resources to the bank and Presiyana steal all of it for her and Pot.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana says Circe joined team of idiots. Again, I was talking about people not joining DN, she is talking badly about Circe.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana laughing at Circe and Za Hunter.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana judging people and again talk badly about Circe. I think she is jealous of other people that are more intelligent than her. That why she talked badly about Circe and me a lot.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana talked badly about Boopsi

Presiyana main hobby seems like talking about people behind their backs and spread lies about them.

She talked bad about Boopsi too, saying she isn't smart and she is bad.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana talked badly about Muslim guys

Presiyana says Muslim guys never seen women in their life that why they are after all women. She never mentioned certain guy, she said Muslim societies.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana says Muslims refugees are rapists. She says Arab guys get horny seeing women with no sleeves, what kind of bigot is she? Presiyana is a racist, all the chat here she said that. She supports only Slav(Russian/German) white people.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana talked badly about Hunter

Presiyana said Burning Pot talked badly about Hunter behind his back but she talked badly about Hunter who was in our guild and a good friend of her. She shared a lot chats and RL pics of other guys to me to laugh at them. It was too time consuming looking for all that.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana stalked women and laugh at them

Presiyana went on download pictures of women from enemies' guilds on Wegamers in K296 and laugh about them. Presiyana, she isn't beautiful or hot, she is laughing at other women appearances. She laughs at guys appearance too.

Presiyana stalked women from K296 and talks badly about them. She shared me Ginnette pics and some other women. See her conversations are mostly insulting people behind their backs.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana said she stalks more women from Wegamers.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana said that she does that to know who she is dealing with. Nice lie, she said they looks bad. Sinner had removed her RL pic because her dad died recently and Presiyana is blaming her for removing her pic. Presiyana doesn't care Sinner had lost her dad and was more fun for her to laugh at her looks.

[Back to Presiyana Menu](#)

[Back to First Page](#)

The reason Presiyana blocked me

Presiyana blocked me because I was confronting her, she was friend with me only to manipulate and control me. Not only her behaviour changed towards me, she was ordering me to do things like she possessed me. A kid of 20-year-old tried to tell me, a guy of 33 years old orders. Never once I ordered her to do something.

Presiyana here said I don't do anything in the guild and that I just watched.

[Back to Presiyana Menu](#)

[Back to First Page](#)

I have saved Pot and guild members leaders multiple times when I was highest might in the guild. How many times did she saved guild members leader or Pot? Zero, she can only attack weak players.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Back to Presiyana Menu](#)

[Back to First Page](#)

Arakor was pissed at Pot for demoting him and was talking badly in guild chat. I talked to him and thought he was insulting me. When I figured out it was a misunderstanding, I told Arakor sorry. I had Fake and Feryn insulting me too because Pot said to enforce leader capture rules. Pot insulted Arakor badly, I asked Presiyana why she didn't tell Pot anything but me. She can't answer, she is a coward that can only talk behind people back.

[Back to Presiyana Menu](#)

[Back to First Page](#)

On the 13th July 2018. I told her some people have ego and need to discuss with them not let them rant in guild chat.

[Back to Presiyana Menu](#)

[Back to First Page](#)

I asked Presiyana why she always tell me stand down when people are insulting me in-game and my real life. She blocked me after that, the grey tick showed she didn't read. Even if I have a good work, I don't show off. It people that call me kid and shits then they cried when I told them what I have achieved.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana makes clans in the guild

Presiyana befriends guys mostly and fool or entice them by being nice and friendly to make them defend her. I guess is a tramp that like have guys around her as her lackeys.

Presiyana never achieved anything in her life, she tells that people are dumb and she thinks she is smart. She is studying useless languages and language are easy. Here she said that in the guild there is smart vs dumb people. She reads theory on internet and think she knows people.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Presiyana hacks people Facebooks and emails

Presiyana accessed one of my lawyer's investigator Facebook account with a Philippines proxy (meaning pretending to be from the country) and terminate his account. We have her traced showing it's her and the account was being monitored. This is a criminal offense to do that.

She also tried to access the person email account, we think she stalks all the persons that sharing theirs Facebooks and emails with her. Be careful.

Below is a screenshot of her gloating that she hacked an account.

[Back to Presiyana Menu](#)

[Back to First Page](#)

[Proof that the screens are real](#)

Presiyana has shared a lot of screens from her chats with Pot with me and shared RL pic of Hunter too. Where would I get those if it wasn't true? She shared RL pics of people and download them. In the screens, I showed you she downloaded women pictures on Wegamers and shared them around. She shares everyone pictures.

Presiyana has shared my RL pics and other guys pics behind their back. She has shared over 100 people RL pics without their authorisation. You can see hers too.

Her real-life pic on Whatsapp.

Her real life pic that was on previous Wegamers account called Ayumina, now called Flytrap.

[Back to Presiyana Menu](#)

[Back to First Page](#)

I have tried to solve this peacefully by asking her to talk and stop her slanders. She ignored me, continue to spread lies and share the real pics that I gave her. Someone told me that and showed me her pics below. Watch that trash, she can only spread lies and people pictures. I thank that person for warning me and give me those. These are public pics on her Facebook, search for “Пресияна Върбанова” on Facebook.

[Back to Presiyana Menu](#)

[Back to First Page](#)

She is a wannabe Japanese, a lying and deceitful bitch like here could never be like them.

[Back to Presiyana Menu](#)

[Back to First Page](#)

Conclusion

Presiyana Varbanova is a lying manipulating bitch, she played me trying to be close friends and shared all our chats and pics to other guys. She only talks to guys privately and share their chats with each other, look like a whore that like to entice guys to me. Why would a girl share RL pics and personal chats with other guys?

She said everyone in the guild is stupid, she thinks she is the most intelligent person. She manipulates people psychologically to fool them and use them.

Presiyana(Venus) pretends to be helpful and good, she isn't. I have known her for 4 months, that a facade. In reality she is selfish, jealous, spiteful, huge bitch, small minded and narcissist.

Be advised she steals real life photos of people and make fake account of them to stalk players and other people.

I advised you guys and girls not to share your pics or personal info, she will tell other people and laugh about you and spreads lies.

Intro Samuel

Lords Mobile names: Burning Pot, Pot, Yolo, Malone, BHAHUBALI A, QUEEN SWITCH, DJ Strapped, Ismael Aleja, lil idris, King Runo, BossMaan, Gollum54

Real name: Samuel Wise (last name probably fake).

Location: Accra, Ghana

Facebook is: <https://www.facebook.com/adom.wisdomsamuel>

His pics are: <https://imgur.com/a/l7OaDFj>

Samuel is a big liar and manipulator, he pretends to be friendly to people but talk badly about them behind their backs. He said he works for 3 companies but he doesn't work at all. He has 3 guilds that he makes to grow and sell them later for money. He makes a lot of Lords Mobile accounts to sell them or spy/stalk on other guilds.

He never defend any of his guild, he only talk shits, hide and stalk people on social media's and in Lords Mobile.

[Back to Samuel Menu](#)

[Back to First Page](#)

Samuel is beyond retarded and so Stupid

Samuel changed his name to **CANDIDIASIS**, only an idiot like him pick names like that and he has bad hygiene.

Now he starts to insult me like he did to others members that left too before.

Samuel is insulting a guild member that he is a kid and doesn't work. He doesn't even know what is an ERP, a Consulting company and the big 4 firms! He said he does payroll for 500 employees, lies again. Multinational companies, even the smallest one has at least 3 people for that. I doubt he has any knowledge of accounting either. At 27, he still lies like a little kid, that guy is pathetic!

[Back to Samuel Menu](#)

[Back to First Page](#)

He changes his name to GROW BALLS, thinking people are stupid and doesn't know that it's him. He is insult like an inbred kid without education.

Proof that he had GROW BALLS name, he is Rank 5 which means that he is the leader of the guild.

[Back to Samuel Menu](#)

[Back to First Page](#)

Samuel doesn't know how to write "Villains" and call others stupid and that he is more intelligent, the irony, look below the name of the guild. Only guild leader can change the name of the guild. Other guilds laugh at him, he is a clown as leader. Do you think a leader that doesn't know how to write a word can lead you? He only makes alts to stalk people and fail all guild progressions.

The screenshot shows a 'Guild Information' window for the guild '[H0V] HARBOUR OF VILLIANS'. The guild's name is written in a stylized font, and a red arrow points to it from a white callout box that reads 'POT DOESN'T KNOW HOW TO WRITE "VILLAINS"'. The guild's tagline is 'LOYALTY IS THE CODE'. Other details include: Guild Leader: BURNING POT, Might: 1,008,935,762, Members: 56/100, and Default language: All Languages. The guild is Private and has a Gift Level of 12. Navigation buttons for 'Diplomacy Board', 'Members', and 'Might Rank' are visible. The guild's application requirements are listed as: 'Application: DOCTOR NYX Diplomacy: ALPHA CENTAURUS', 'Requirements: 20MM killing at least 2 monsters daily and participation in events is a must', and 'BLIND APPLICATIONS ARE NOT ACCEPTED • MAIL BURNING POT OR DOCTOR NYX 5 DAYS INACTIVE MEANS YOU HAVE JOINED YOUR ANCESTORS'. A '(Original)' label with a refresh icon is in the bottom right corner.

Informed Samuel about Presiyana

I started to inform Samuel(Burning Pot) about Presiyana when I found out she had manipulated me and she shared secrets with Seeb and AAJ in K296. Look below what we talked about.

Note that the screenshots backgrounds have 2 themes, I took some screenshots recently with the default theme and some with the Lords Mobile theme before.

I have done an investigation of the bank since a lot of members were sending resources and most were requesting any. I gave Samuel below an estimated example how much resources can make in 1 week. The bank should have 500 million of resources and doesn't tell the members to get them back.

[Back to Samuel Menu](#)

[Back to First Page](#)

[Back to Samuel Menu](#)

[Back to First Page](#)

Here is a screen of the gold that the bank has 398 million, should the same amount for other resources. She has all these resources and don't give the guild to grow. Presiyana kept only for her and Samuel.

[Back to Samuel Menu](#)

[Back to First Page](#)

Samuel informed Presiyana what accusations I had against her, she refused to do 3-way conversation to discuss about it. I don't like to take behind people back, I requested that we all talk at the same time. Only liars and manipulators talk behind people back.

[Back to Samuel Menu](#)

[Back to First Page](#)

I told him that she is probably manipulating Titties now.

[Back to Samuel Menu](#)

[Back to First Page](#)

[Back to Samuel Menu](#)

[Back to First Page](#)

Samuel asked if I was in the plan of Presiyana to get most guys on her side. I don't have time this crap, that childish and stupid to make clans.

[Back to Samuel Menu](#)

[Back to First Page](#)

I informed Samuel that I never hide my opinions from him, I had always told him what I think of his decisions. The green dots left of the text mean he read what I had told him even he didn't reply.

[Back to Samuel Menu](#)

[Back to First Page](#)

I told Samuel if Presiyana(Venus) has a lot of free time to talk badly and lies behind guild members back, she can use that time to do productive things for the guild. I never mention to kick her in any of my chat.

[Back to Samuel Menu](#)

[Back to First Page](#)

He replied the part where I said I defended him in Mod Chat when Gosu and Unique tried to take over the guild saying he isn't a good leader and Presiyana should be leader. Presiyana was happy about it and was for it. She changed her mind when Unique insulted her. Samuel also confirmed I did defended him.

[Back to Samuel Menu](#)

[Back to First Page](#)

Even Samuel(Pot) agreed that Presiyana(Venus) refusal to do the 3-way chat is that she is lying. I told Samuel that for things to work in the guild, we should discuss about it all. Presiyana never did the 3-way chat, blocked me and continue to tell lies behind my back and fill Samuel head with shits.

[Back to Samuel Menu](#)

[Back to First Page](#)

Truth about Samuel

Before we had a R4 meeting in Mod Chat about people not saving their leader. I asked Samuel(Burning Pot) if I could kick and burn someone that is near my hive to teach him a lesson. He agreed here and in Mod Chat, he said he was against it. Samuel tells lies too, I have seen that when Arakor had talked to him about removing people that don't do Guild Fests. He had given him approval and in guild chat said he hasn't.

Below I asked him if I could do that, he said he agree.

[Back to Samuel Menu](#)

Samuel hits on every girls in the guild and harassed them

Presiyana(Venus), Moon and some other girls told me Samuel(Pot) hits on them and harassed them. I don't get it why he does that, he won't even meet them in real life. He is from Ghana in Africa. He tries to add all girls on Facebook and requests their pictures.

Pot hit on Presiyana the first time she joined the guild, here what she told me. He told Presiyana he wants to marry her and send her multiples kisses and shits that she doesn't like.

Below are two examples of people he pretends to be. If you know these persons, please warn them. Impersonating real life people is a serious crime.

He pretends to be this Indian guy below.

Conclusion

Samuel(Burning Pot) steals people money and does frauds on money transactions and shopping websites. Below is his pic, warn your friends and families about him.

Samuel(Burning Pot) is a stalker lying manipulator. He always tells lies, stalks people and do manipulation schemes. Never trusts anything that he says without facts or proofs. He is stalking me in my new guild with his alt, he does that to everyone that leave.

He doesn't do anything in the guild other than flirting and use people. He spends most of his time on his alts stalking people and insulting them. Beware of him, don't tell him personal info or add him on social media's.
