First Draft

1. INT. UNDERGROUND BUNKER - TIME OF DAY UNCLEAR

NOTE: Think something along the lines of SAW. A dirty, neglected space, containing just a mattress and blanket in one corner, and in another corner, are the beginnings of a bathroom. On one of the walls, is a dumbwaiter with a speaker and buzzer above. The space is completely surrounded in cameras and is dimly lit by a singular bulb.

We see two figures awaking up on the mattress, which we will find out are a MOTHER (40) and her SON (19). They are utterly confused and frightened by the situation they find themselves in.

The SON starts banging on a thick metal door.

SON:

(screams) Let us out of here! Let us out of here!

Suddenly a voice starts coming out of the speaker on the wall, taking both MOTHER and SON by surprise. And the SON momentarily stops bang on the door and screaming.

THE VOICE:

Welcome to your new home. You are 1 kilometre underground, you aren't getting out and we are in complete control.

So we are able to make you lives in it far more bearable, that is if you behave. We will provide you with food and essentials, if you do so.

Otherwise, you will come to regret your actions. So get to know your surroundings and make yourself at home, we will communicate again with you at a later point.

2. INT. UNDERGROUND BUNKER - TIME OF DAY UNCLEAR

Dinner time comes around, there is a buzz and two meals appear in the dumbwaiter. They debate whether they should eat it or not, though give they are starving, they choose to risk it.

Several minutes later, that voice is heard once again through the speaker on the wall.

THE VOICE:

We hope you are settling in well. So as your are here essentially for our entertainment, we decided to add something extra to your dinner.

Don't worry its isn't anything deadly, though it will take effect in 5 to 10 minutes.

And let's put it this way, you probably have noticed, that there are two of you, yet only one toilet.

I guess you may have a puzzle to solve, once it does kick in.

3. INT. UNDERGROUND BUNKER - TIME OF DAY UNCLEAR

Several months in. MOTHER notices she has began her menstruation. As usual, she does what has occurred previously and asks whether they could send her down some sanitary pads. Though this time, the reply is not what she expects.

THE VOICE:

We've decided that its time to step it up. We have decided that, we will turn everything and leave you to die, never to be found by anyone OR we will let things as they are, as long as you let your son impregnate you.

We know this is a tough decision, so you have an hour to make the decision.

A countdown begins over the speaker, MOTHER and SON discuss what options they have. And after some time they realise, that they really have no options. Its either to die or have sex and hope MOTHER is to get impregnated.

Time is up..

SON:

(in tears) We don't want to die, but..

THE VOICE:

No buts, goodbye.

The singular dim light-bulb is switched off, leaving the room in near blackness.

SON:

Nooooo, wait.. okay.

The light is turned back on.

THE VOICE:

Good Decision, we will give you some time to prepare yourselves. Though just in case, you need some help, we are going to send something special down.

DING Several Viagra tablets have appeared inside the dumbwaiter.

THE VOICE:

We wouldn't want you not to be able to get it up for Mummy.

4. INT. UNDERGROUND BUNKER - TIME OF DAY UNCLEAR

Considering causing a miscarriage?

5. INT. UNDERGROUND BUNKER - TIME OF DAY UNCLEAR

MOTHER gives birth, after a prolonged painful birth.

Several minutes later.

THE VOICE:

Congratulations, though we have come to a realisation, we have
taken this too far. Our apologies.

Gas is released, and as cameras are turning off, screams and the
cries of the baby are heard.
