“ No other tool has allowed us to track Austin’s ecosystem health or valuations in real time like Dealroom’s platform.

In a matter of a few months, we’ve been able to identify the entrepreneurial landscape of the Austin region. This ecosystem platform provides powerful insights like how robust the innovation ecosystem is, how strong funding rounds are, what tech stacks are prevailing, who are the most promising scaleups, who’s funding and at what stages.”

Roland Peña
SVP of Global Technology and Innovation
at Austin Chamber/Opportunity Austin
