Beta-mannan can help you feel better and remain healthier!

Several thousand years of written history have actually recorded the legendary recovery power of the Aloe vera plant.

And the recovery benefits of the molecules in Aloe vera were more exceptional than the first researchers had imagined could occur.

Nevertheless, up until just recently, researchers were confused.

In the lab Aloe vera was frequently worthless since the primary recovery ingredient in Aloe vera degrades rapidly after harvest.

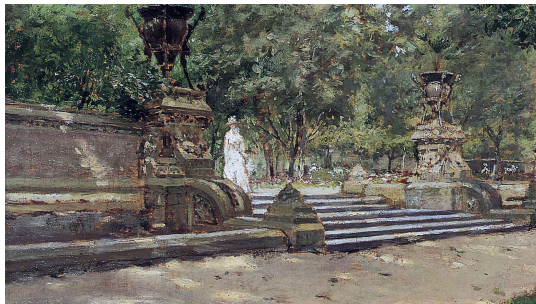

Within just a few hours, if not correctly maintained, the active compound of Aloe vera breaks down.

Not a great deal of doctors know that.

Vera-mannan uses the best preserved, natural, Aloe vera offered in a proper mix with organic Vitamin E to guarantee that the healing advantages of Aloe vera stay.

Beta-mannan provides exceptional assistance for your body immune system and enhances your energy level

without stimulants.

It brings back a healthy sense of well-being with an unstressed psychological mindset and relaxes your nerves.

When aches and discomforts reduce and psychological clearness is enhanced, this assists your productivity in a natural way.

Beta-mannan[®] just helps you feel better.

What makes Vera-mannan[®] different from all the other Aloe vera dietary supplements?

The answer is basic.

In the fresh Aloe vera plant there are more than two hundred different compounds.

Some of these compounds have strong laxative results.

Other compounds may cause allergic reactions.

Appropriately drawn out, the healing substances of Aloe vera are without these laxative results and devoid of the allergies that can take place with fresh Aloe vera gel and other improperly prepared Aloe supplements.

Vera-mannan[®] includes only the extracted beta-mannans and beta-glucans which have actually been revealed to have the healing benefits associated with Aloe vera with not one of the possible negative impacts.

These pure beta substances are in the carbohydrate group.

Only protein compounds, not carbohydrates, are understood to cause allergic reactions.

Therefore allergic response to these beta extracts is probably unknown.

And the beta compounds in Beta-mannan[®] have been utilized by thousands of customers for well over 20 years without any circumstances of allergic reaction or negative result ever mentioned.

Here's simply an example of exactly what you're about to find when you start taking the Beta-mannan[®] Supplement:
