

HOKITIKA'S **REGENT** theatre

Theatre Hire Information

About Hokitika's Regent

The Regent Theatre in Hokitika is a historic building located in the heart of the town centre. Constructed in 1935, it has served as a movie theatre and town hall for more than 80 years, with a seating capacity of 400 people. Since 1979, it has been managed by the Westland Community Centre Inc., a society dedicated to owning and operating the Regent for the benefit of the Hokitika community and surrounding district.

The Theatre is operated by a combination of paid staff, volunteers, and specialized contractors. It has undergone revitalization, refurbishment, re-equipping, and maintenance through the contribution of over 100,000 hours of volunteer time and more than 2 million in grants.

In addition to screening films, the Regent Theatre serves as a venue for various events, including local and touring live shows, community events, seminars, prize-givings, and esports tournaments. Moreover, it can function as a central hub, registration area, or meeting place for large events such as marathons.

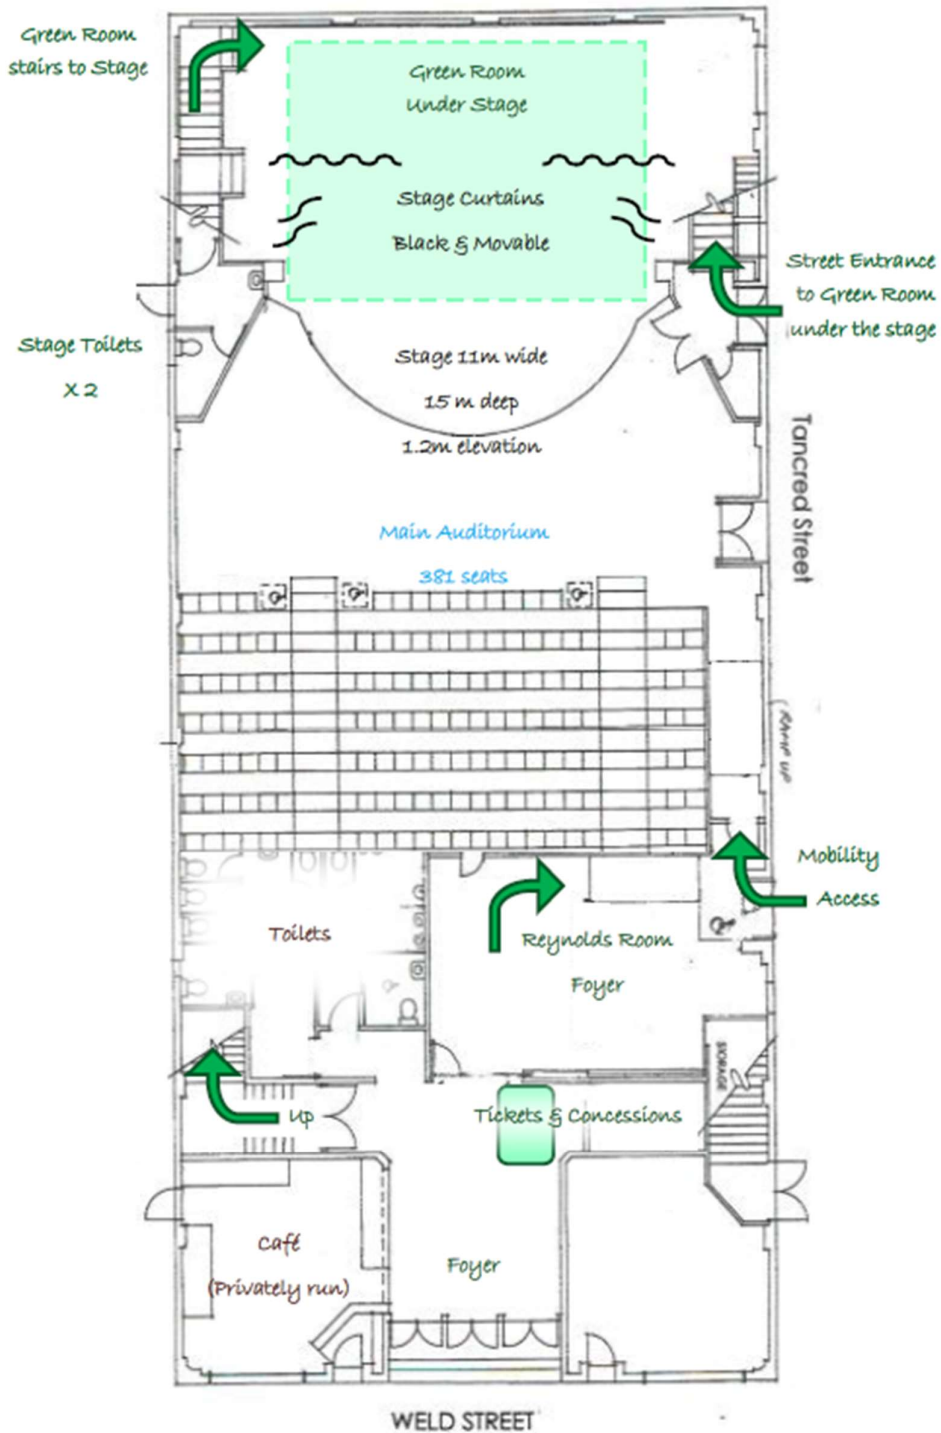

To Book

Please Contact manager@hokitikaregent.com with details of your bookings, a completed theatre hire form and any questions you might have.

The Main Theatre

The Main Theatre at the Regent has been thoughtfully restored to accommodate a wide range of events. It features 381 permanent seats and provides full access to stage lights and sound facilities. As part of their booking, clients will have access to the green room, which includes dressing rooms for added convenience during events.
