

Happiness Is I Extended Week!!

Hi Everyone!

Wow, we can't believe that camp is officially over! We had such a great summer with all the kids and are so sad that it's over. But we sure made our last week count, despite how many kids were here!

On Monday, we went and explored all the new places at the Park District like the playground and the turf fields! We played on the playground and listened to fun camp songs from Moana and Frozen! We also played lots of fun games on the turf fields like Doggy Doggy Where's Your Bone, Red Light Green Light, and Tag!

On Tuesday, we decided to explore the Park District EVEN MORE! We went on a scavenger hunt and found so many cool things and cute critters! We picked flowers and found butterflies and bunnies! Then as we were finishing our scavenger hunt we ran into a HUGE grasshopper that the kids loved picking up and watching it jump around!

Picking flowers for our Mommies!

On Wednesday, we painted piggy banks and played with chalk outside! All the kids sat outside with so many colors of paint and painted their own piggy banks and were so antsy to take them home! We also played with chalk and had so much fun drawing silly pictures and people! It was super hot so during snack we went into the air conditioning and played silly games and ate snack.

On Thursday, we played with more chalk, drawing silly pictures, and read silly stories such as 'Monkey See, Monkey Do' and 'You Will Be My Friend'! We also listened to more fun songs and had a mini dance party! The kids were SO excited to be able to take home their piggy banks.

On Friday, we were all so sad it was our last day so we decided to celebrate such a great summer with popsicles as a surprise! We began the day playing on the playground, then made silly puppets from paper lunch bags! After snack we surprised the kids with the popsicles they were so excited! We played music and ate them on the porch in front of the paddle hut. Then as the kids left we all said our good byes even though all the counselors and I were so sad to see all the kids leave.
