Subject: Budget RAC - Off-Airport CFC Collection

Mr. Howe,

Thank you again for bring this matter to our attention. As we shared with you, based on our initial research it appears from our review of the applicable contracts and resolutions that you have been inappropriately assessed a customer facility charge on your recent rental agreement from Budget. We have deferred this matter to our Internal Auditing department who is currently in communications with Avis Budget on other similar related matters. Ms. Tianna Dumond, our Director of Internal Audit, will be contacting you directly to reconcile this matter with you. If you have any questions either before or after speaking with Ms. Dumond, please do not hesitate to call me again at 407.747.9440.
