Chapter I (CULT)

2. Bloody Mass

Gather a group of willing people, give those unwilling as offerings. There must be 15 young pretty female cannibals (White) in this celebration

And 2 priests (also white).

The priest says the words FROM TELOAH VORS NOR 10 times per sacrifice.

At the same time, cannibals eat alive like zombie victims.

If the skeleton is left alone, a fire should be made and the victim's bones should be burned and the ash scattered over the cemetery.

* This holiday must be performed every month otherwise you will fall into an eternal one the abyss, because Satan will not accept you otherwise to hell, but throw you out there.

3. Invocation

calls

the dead

So what do we need.

1. Living victim

2nd nail

3. blood in the bottle

4. Pentagram pendant

5. candles

The place where we perform the ritual is our home, i.e. the cemetery.

1. you put the victim on the coffin, you attach it

2. you hammer a nail in your stomach, right up to your guts

3. you pour blood into the victim's mouth so that they suffocate

4. you put the pentagram on her head

5. you light the candles by saying the words below

retilimis muratialocin manirtcod setnenet ut te sebah aiti And rising, dead in

the name of the power of samael.

And it will rise to show itself. And it

will rise to kill.

And it will rise to reveal the future to me. O

samael, show this dead man.

Wake him up through Satan. Wake

him up, Wake him up, Amen!

4. Victim

A cannibal must eat at least 4 people to become a priest. The cannibal must at least eat the former fiancé and gouge out the eyes of the closest person to be the priest's wife. You can eat

1 victim a year without any difference, as long as you are not fat, because fat people are often victims, fat men are enough to eat 2 to be a priest.

[Cannibalism Recipes (page does not exist)] Here you can add your own recipe for human meat.

After 20 Blood Masses you are immortal as a zombie throughout your life.

5. Place of worship

The place of worship depends on the time, when it is night, you have to do a Bloody Mass in the cemetery to avoid being caught. When it is a day, you have to do the Bloody Mass in the forest. The main place of worship in the cemetery is the monument. The main place of worship in the forest is an abandoned house. Chapter II (Cannibals)

1. Cannibalism

Cannibalism is normal, while starving people are like zombies. To be a zombie you don't have to die, you just have to be a cannibal.

There will also be cannibalistic tribes in Poland, which are about to arise, as a sign of Mr. Satan.

Satan commands to eat human flesh. Satan commands to kill,

to be a true Satanist and to have supernatural powers, you must also be a cannibal.

According to scientists, human flesh is tastier than what col. Age of delicacies at 100%.

2. Subculture

Cannibals

Cannibals must wear to please Satan:

Human teeth on braids (* Necklaces), human skin garments and cut off tongues around the neck.

Cannibals have to live in groups like the mafia and kill. Cannibals have to wash themselves with human blood soap. Because cannibals are real Satanists.

3. The Cannibals Curse

Be sure to read Curse Number 1 aloud

(The Curse of Consent).

erats tiretop siuq te murospi eari sungam seid tinev mainouq In the name of Satan, I will eat on human flesh.

And I will kill

And I will have to eat human flesh or I will die and eat every victim

Let the bloody mass make me happy.

Glory to Satan, Amen!

Curse Number 2 (The Curse of Destruction).

tnurevaroda te tnuredicec seroines te nema ttabecid ailamina routtauq te Satan kill those who curse us.

Let your opponents die.

Let hostile nations and tribes perish. Let them die now.

Glory to Satan! Amen! Curse Number 3

maut manoroc taipicca onem tu sebah douq enet otic oinev In the name of Azazel and Satan.

Let the gogmagogue destroy these kingdoms

And the people starve themselves to eat

And the era of cannibals will come forever and ever. Glory to Satan! Amen!

to perform these rituals, you must celebrate a bloody mass beforehand. Chapter III

(The Last Gospel)

1. Apocalypse

And an army will rise against the army. Man will rise against man.

There will be times when the good and the humanitarian will perish and fall into the eternal abyss.

And the evil inhuman cannibals, even when they die, Satan will take them to his kingdom which is hell.

And cities on earth will collapse.

And all that's left is the desert, the sun will burn the earth. The bad guys (inhumane, cannibals) have hope.

The good (humanitarian, empathetic) will fall into an eternal abyss after death.

2. how to survive

Apocalypse

To survive the apocalypse, we must stick to what Gosiński says. (Page does not exist)

To survive the apocalypse, we must at least gain immortality (i.e. 20 Blood Masses)

To survive the apocalypse, we must be inhumane and cannibals, only zombies are immortal.

To survive the apocalypse, we have to curse cannibals on 3 people.

To survive the apocalypse, we must summon the dead twice to predict our future.

3. Satan

Satan is angry, we must be cannibals to please him. we must be inhumane.

we must be sadists.

we must be evil.

We must follow the rules of the Zombiric Bible. We must adhere to Gosiński.

4. The End

Author: Mariusz Jan Gosiński

2. Zombiric philosophy

If it were not for sadism, impunity would rule. Sadism is the best punishment.

Were it not for immorality, it would be slavery God would burn Sodom for our evil

Not for good but to enslave us People should reproduce like animals After all, we belong to the group of animals To exactly to mammals

If the true cult of Satan had not arisen, Zombirism (Zombiric Satanism)

That would not create immortality (NEVER). Were it not for evil, good would enslave us.

Immorality gives freedom from any age of slavery from Jesus our enemy.

Be a cannibal and eat people before they eat you. Drink human blood to live.

Eat the human brain to be smart. Ride a human leg to keep fit. Eat human guts not to get sick.

Do evil to another, so that you will not be harmed. Psychopathy is needed like any other degeneration. If it were not for psychopaths, the earth would overflow, and if it overflowed, it would be destroyed. God said to fill the earth, he hid that the earth may overflow, and when it becomes overflowing, we will perish

God said not to eat people in order to starve to death.

God wants bad for us, Satan wants good (May you all be free from this bondage which is faith in God).

Think about why these naive people kneel over the pictures They pray to god, and this god gives them shit in return. Consider!

Evil makes perfect

Good makes a fool

3. How to get a victim

(Plan 1)

It is best to look for a victim in the forest (a random man walking in the forest)

submit her / him to Satan as I write in the Zombiric Bible. finally dig a hole, finish off the victim.

bury the victim, and sow grass in the place of the buried victim. (Plan 2)

Lure the victim.

Forcibly pack her in a bag (So that she lives, put the tape on his / her mouth before this)

Bring it to the cemetery at night and deliver it to Satan as I write in the Bible

Zombiric.

After that, pull out the coffin, put it in the coffin and bury it together with the coffin under the monument, and sow it there
Grass (As if there was nothing here). (Plan 3)

Start in front of the house

When she goes to sleep, so as not to wake her / him, go small and silently Spell his / her mouth with a tape, one person grabs the other's legs by the hands and puts them in the trunk of the car.

You take to the forest or to the cemetery at night and do what you do with her / him

I write in the Zombiric Bible, at the end you dig a hole, you cut up the victim and throw his / her remains into the garbage bag

And you bury it deep, you sow grass here, And you go slowly [If you have any ideas, you can use them too] So nothing at all.

(If the police)

You say, we don't know anything (in a tone of horror) You are saying, please come in normally

You say what's going on, you don't make any gestures or signs

That you laid someone down and killed someone (You just don't think about it).

* You need to know to make offerings without fingerprints

It is best to wear gloves which you burn in the oven at the end, and you pour the loose gloves elsewhere.

2. Introduction

The author of this book is a real messiah, not a guy born in a stable. It is not art to eat a cat and say that you are a follower of Satan, art is in something

More courageous, i.e. eating people alive.

Eating a black cat is not a sin, it is foolishness. The real sin in the eyes of god is cannibalism,

A real gold for Satan our lord. It is no trick to drink the blood from a baby

The trick is to drink blood from someone stronger than you, that is art. In fact, killing black cats is worshipping God, not Satan,

It was not for nothing that the church smoked black cats.

Black cats are from Satan, and you would eat Mr. Satan's helpers,

probably not.

Let the black cats live to do what Satan wants.

Do not let the enemy live, that is Jesus and his servant, that is, the majority of people on earth. Eat and sacrifice to Satan man, because the food of people is joy for Satan.

What you read, what you see in this ideology is from Satan to the real Satanic son of Mariusz Jan Gosiński.

It is not difficult to demolish a cemetery without any sense. The trick is to demolish the government and introduce National Zombies.

3. Zombieism against other beliefs

The first faith to be removed first is Jehovahism,

Because these people with impunity carry the plague that is Jesus and jhwh. I will destroy the tribe of Jehovah's witnesses, but they will be normal people

There is Jesus, and those who vomited him will go on the way of Satan. The

second faith that needs to be removed is Catholicism

Because they created all these germs which are these factions from Jesus, You have to end the life of this whore which is Jesus Christ.

Now is the time to overthrow all the rest of the faith because people have to believe in something like

Cults and religions will collapse, apart from Zombiric Satanism, then Zombirism will have

Lots of followers and Satan will be very happy and he will make it up to you.

Let the true cult of Satan Zombiric Satanism arise. Of course, Satan is endorsed, as is his cult of Zombieism.

4. The Zombiric Race

In the country of the Zombirists, there can be no refugees. They have to be tortured and eaten alive like zombies. The only race that will survive this will be:

Person: skinny

Person: Bad

Person: purebred white nation. Person: pale

Person: Zombiric practitioner of Zombirism. Person:

Anti-homosexual

Person: who is a Zombie fanatic (Fanatics of other faiths will die)

Person: with long hair, as Satan wishes. Others must be offered as sacrifices.

Just as the Africans ate white people, we must also fuck the Africans alive (As they say: Evil for evil, in spite of Jesus.

5. Philosophy of the Nation

Satan's chosen nation will be only for white people and the possessed, There will be no fucking exorcists here who

They impose Jesus on us, a Jewish motherfucker.

Their exorcisms are about getting more Christians to obey the Jewish whore.

Unfortunately, it will last until the National Zombirism is formed, someone brave

He will defeat the government, and bring to Zombieism a true worship of Satan.

How do you want to be a whip for Satan, the supreme demon after death. You have to bring National Zombieism to the whole world, otherwise someone else will be Satan's whip.

Zombieism must arise because Satan wills it. Zombieism must arise to destroy Jesus' principles.

Zombieism will arise as a sign of true sin, and what is true

a sin in the eyes

Jewish motherfucker Jesus answer: this is cannibalism, he is gold for Satan,

And tears for our dick enemy Jesus.

Cannibalism, sadism, zombieism is a true desecration of Jesus, this desecration will lead him to the end of his poor Jewish life.

6. NIZS (Hatred and Destroyed Society) It will be a real Zombiric-Satanic party, which will be a party in the National Zombirism.

This party will create Satanic Paradise, rebuild the sodoma to prove that

god is no longer alive.

We do not tolerate lesbians, gays.

We only tolerate heterosex-rape, create a new sodomy with no homosexuals,

Who think Satan likes them for it. ANSWER Satan hates homosexuality, there is a male and female gender in hell that rapes each other, the same will be here on earth.

NIZS is a party illegal on FB so far: (The site does not exist) Join it, be a real Narodowe / Narodowym / a Zombirystą / Zombirystka

Don't be a coward, Bring in National Zombiry.

Sadism makes fear in the eyes of refugees and enemies from white people, Muslims will be afraid, and I swear Poland will be fearful and force-fed.

All those who do not support Zombiric Satanism will wait for death in sulfuric acid chambers, and dissolve all day in the slow rain from the sulfuric acid ceiling.

7. Subculture of the National Zombies

To be counted among the National Zombies, you must: Sharpen your nails with a file like a zombie (To tear), You must wear black,

Pants must be military black,

You must have Zombiric symbols on your hands (You can make a tattoo or draw it with a marker, it's up to you.

You must wear pendants with a death rune or a swastika. You must have blouses with holes (Ripped) black.

8. The only fanaticism that is supported

Destroy fanaticism but not zombirism because Zombiric fanaticism is from Satan the lord in Zombirism, not in Christianity. Destroy all the fanatics of Christianity, make these non-fanatics to be such Fanatics only in zombies.

Fanaticism is supported but this Zombiric (Hate fanaticism only of other faiths that really have nothing to do with Satan), the true cult of Satan which may have strong fanaticism is Zombiric Satanism (ZOMBIRISM).

The only fanaticism worthy of being eternal is Zombirism.

Destroy all other fanaticism options.

9. Zombiric Commandments

1. Do to others what is displeasing to you.

2. Evil makes someone great whom everyone is afraid of.

3. Be like you live in Sodom.

4. Don't obey the rules, be unethical, sadistic, to get a true blessing from Satan.

5. Torture other races so that they do not torture you.

6. Immorality is freedom from the enemy that is Jesus.
