

Max Therapy Institute Melbourne's Finest Massage School

Max Therapy institute is one of Melbourne's Premier [massage therapy schools](#) located in the Melbourne CBD on 3/310 King St, offering a range of massage courses such as myotherapy courses and remedial massage courses. At Max Therapy institute you are taught by massage professionals with many running their own clinics so they can give you in-depth knowledge on how to start your massage career.

As a renowned massage institute in Melbourne, all its massage therapy courses provide up to date modern training and supervision to ensure its students are well equipped to become massage professionals. Diploma courses will ensure students have all the requirements necessary to join any massage association of their choice. Max Therapy Institute's massage school currently offers a range of massage diplomas and massage short courses, which includes: Certificate IV in Massage Therapy, [Diploma of Remedial Massage](#), Diploma of Clinical Aromatherapy, and Advanced Diploma in Myotherapy, Courses in Cardiopulmonary Resuscitation (CPR) and First Aid courses. Its massage courses provided hands-on experience and a minimum number of practical hours to provide students with real practical experience. Diploma courses require a minimum of 200 hours practical experience while the short courses require at least 40 hours.

The [massage courses](#) at Max Therapy Institute are designed for beginners and advanced massage therapists and provide training for male and females of all ages. To be accepted into a massage course at Max Therapy students must have at least an IELTS score of 5.5 and be a minimum age of 18. After completion of a diploma students will be able to pursue careers as massage therapists, sports therapists, clinical supervisors, clinical managers and a range of

other exciting occupations. Diploma courses will take approximately 1.5 years to complete (full-time), but can be taken part-time to remain flexible for students.

Short massage courses are offered in aromatherapy, cupping, dry needle, stone therapy, myofascial point therapy and more. These are face-to-face courses and are broken down into two levels: fundamental principles and practical experience. The Melbourne campus comes equipped with modern massage practical rooms, onsite student clinic, re-furnished classrooms and free library. All prospective students are encouraged to visit the campus or book-in to a free class trial to gain a first-hand experience of the quality of education Max Therapy Institute provides.

If a career as a massage therapist is appealing to you, there is no better place to study than [Max Therapy Institute](#).
