## FRESHERS!

Emma Bott has done a fantastic job organising the social events at the club and this year we kicked things off with a Tiki themed fresher party. As always, there was plenty of drinking and dancing, with a “mystery bus” taking everyone out afterwards. Some fared better than others on the night, with Coby Green kindly giving us a pictorial recount of the event (below). Thanks to all the bar staff and UWAHC volunteers who did an incredible job organising the event.
