# Great White Monster Mushroom

---

[greencounterclub.ca/product/great-white-monster-mushroom](https://greencounterclub.ca/product/great-white-monster-mushroom)

\$23.99 – \$139.99

The **Great White Monster** is known for high potency and strong hallucinogenic effects. This albino shroom is named for its unique rusty white spores. Great for the outdoors, the euphoric effects really intensify nature walks.

Microdose (0.1-0.5g)

Common dose (0.5-1.5g)

Veteran dose (2-3.5g)

should provide you with a 3-6 hour trip.

Always use it with caution!
