ALL RESIDENTS – GRADUATE PROGRAM IN MEDICAL EDUCATION AT THE CUMMING SCHOOL OF MEDICINE

The Department of Community of Health Sciences at the Cumming School of Medicine offers a graduate degree program (MSc and PhD) in Medical Education. The purpose of the program is to equip physicians, allied healthcare professionals, and other scholars interested in medical education, with the knowledge, attitudes, and skills in medical education practice and research. We are implementing a brand new program with state of the art courses and instruction in the Fall of 2017. The deadline for applications is **January 31st, 2017** for admission in September, 2017. This includes all supporting documentation for your application. For more information, please see the attached brochure.

ALL RESIDENTS – *SAVE THE DATE* RADON RELATED LUNG CANCER PREVENTION SESSION – SAT, DEC 10th

You can make a great difference in your patient's health by preventing Radon related lung cancer with minimal intervention. A radon educational meeting has been arranged specifically for Family Physicians on December 10th, 2016 (9 am to 12:30 pm) – Theatre 4. This meeting is intended to expand your knowledge about this problem and experts in this field will answer any questions you may have.

If you are interested in attending and require further details, please RSVP to radonproject2016@gmail.com

For educational leave requests, please review the Attendance and Absence policy on the DFM website at <https://www.ucalgary.ca/familymedicine/system/files/urban-residency-program-attendance-absence-policy-summary-2015-07-23.pdf>

ALL RESIDENTS - INTERESTED IN UPCOMING LEARNING OPPORTUNITIES IN MEDICINE?

Check out courses offered through the Continuing Medical Education and Professional Development Office at <http://cumming.ucalgary.ca/cme/> and the AHS Physician Learning site <http://www.albertahealthservices.ca/7070.asp>
