

Taking Ontario's ingredients, making them well, sharing them right.

The Team at The Green Wood has put their collective thought into each step of the dining experience; from sourcing goods locally and from sustainable purveyors, to putting thought into the overall effect each dish will have on the guest that enjoys it, to designing a space with attention to details and an air of ease and comfort.

When we say local at The Green Wood, we mean L O C A L; as a FeastOn certified restaurant, we are committed to Ontario-grown goodness. Celebrating the best of what our literal neighbours have to offer. Being that we are local, seasonal and made from scratch always, The Green Wood gladly accepts the social responsibility that comes with eating well. Good food is about more than just how it tastes; it's about where it comes from, how it's made, how it is served, and how it is enjoyed. Eat goods well with us at The Green Wood.

The Green Wood can host up to **30 guests** seated or **60 guests** cocktail-style.
