

Call for Papers

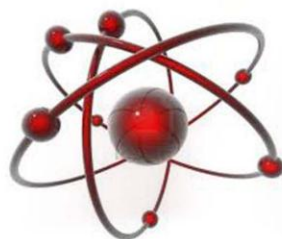

International Journal of Advanced Information Science and Technology (IJAIST) is a progressively vital journal for the development of Information Science and Technology.

We are looking forward for strict compliance to the modern age standards in all fields. We cover all research areas like engineering, science and technology.

The topics recommended by the journal can be considered in term of concepts, research, standards, implementations etc.

Research scholars, students, academicians and all are invited to submit their papers in our peer reviewed journal.

Indexing of IJAIST

INTERNATIONAL JOURNAL OF ADVANCED INFORMATION SCIENCE AND TECHNOLOGY

ISSN : 2319-2682

**A leading
International Journal**

Address:
Dr. A. Rajaram M.E., Ph.D.,
Editor - in - Chief
International Journal of Advanced Information
Science and Technology
Coimbatore, India.

About Us:

The aim of IJAIST is to subsidize onrushing knowledge in various research fields with erudition, hence to elevate high trait research.

The IJAIST is progressively vital journal for the development of Information Science and Technology.

The core addressees of this publication comprises academics, research scholars, graduate students, practitioners and all others interested in Information Science and Technology research.

IJAIST is an entrenched and prominent venue for publishing research papers as recognised by various universities and international professional bodies.

It is an arbitrated open for publishing scientific papers in all areas of information science and technology research. The objective of IJAIST is to impart succor in the development of science and technology.

Most importantly, IJAIST aspire at progressive conventional journals by the pioneer to explore in their respective research areas.

Editorial Board

| 1.Dr. Jose Aguilar Professor Universidad de Los Andes Venezuela | 2.Dr. Bensafi Abd-El-Hamid Associate Professor Abou Bekr Belkaid University of Tlemcen ,Algeria |
| 3.Dr. Lai khin wee Senior Researcher Universiti Teknologi Malaysia, Malaysia | 4. Prof. Ching-Hsien Hsu Professor, Department of Computer Science , Chung Hua University Taiwan |
| 5.Prof. Donald H. Kraft Educator Colorado Technical University, USA | 6.Prof. Dharma P. AGRAWAL OBR Distinguished Professor of Computing Sciences University of Cincinnati USA |
| 7.Prof.Christos Bouras Computer Engineering University of Patras Greece | 8.Prof.Farid Ghani Professor University Malaysia Perlis Malaysia |
| 9.Prof. Xing Zuocheng Professor National University of Technology China | |
| 10.Prof.Bhekisipho Professor of Artificial Intelligence and Statistical Sciences Department of Electrical and Electronic Engineering Science, University of Johannesburg South Africa | |
| 11.Dr. Dina Maizana Senior Lecturer Centre Excellent Renewable Energy (CERE) Cluster University Malaysia Perlis Malaysia | |
| 12.Prof. Zenghui Wang Associate Professor Department of Electrical and Mining Engineering University of South Africa Florida, South Africa | |
| 13.Dr. Paul Moses Udofia, Lecturer Akwa Ibom State College of Education, Nigeria | |

Vision:

We will nurture universal gen to set with merit, which exemplify IJAIST as one of the leading global sources for scientific research organization.

Mission:

We Consign to:

- > Endorse fitness for journal publications of the member bodies.*
- > Serve as a medium for broadcast and converse of scientific knowledge.*
- > Triumph technical eminence in our programs and other activities.*
