EndureLash[®]

The edgy sister in the Endure™ family, designed for Lash Lovers! Our line of Organic beauty tools is designed to not only protect the delicate skin surrounding your eyes, but also protect your lash investment. EndureLash[®] makes healthy maintenance of your lash extensions an easy part of your overall beauty routine. We decided to take it a step further and not only designed our own line of custom lash bands but also custom designed lash trays for professional Lash Artists.

Organic Eyelash Cloths

Protect your delicate eye area with the first cloths of it's kind, the EndureLash®'s soft, hypo-allergenic, organic fiber cloths. EndureLash® makes healthy maintenance of your lash extensions an easy part of your overall beauty routine. Both cloths are proudly made in the USA. Patent Pending.

Reusable

Durable fabric is machine washable without losing any of its unique properties, providing a more hygienic method of drying your lashes and removing eye make-up.

Cost Effective

Skip buying cotton rounds, harsh removers, or make-up wipes to use on your delicate eye area. Our cloths also protect expensive extensions with less snags and no lint.

Organic

Environmentally friendly, hypoallergenic fiber blends that reduce cosmetic waste.

Convenient

Great for anyone on the go — take easily with you for the gym, pool, or travel!

Lash Placement Tool

Lash Application Tool is the perfect lash band accessory. The molded thong design makes for easy grip, alignment and seamless application of lash bands.

Eye Make-Up Removal Cloth

Item#: EL1001

Size: 6.5"X6.5"

Made with Organic Bamboo. For the Lash Lovers, our EndureLash® Organic Eye Makeup Removal Cloths are a safe, hypo-allergenic tool to help you safely cleanse the delicate skin around your eyes. The Eye Makeup Removal Cloth works well with just warm water for people with allergies and sensitivities, but also works amazing with cleansers and oils. You will no longer need harsh chemicals, cotton rounds, disposable wipes, or makeup sponges that can harbor bacteria. EndureLash® Organic Eye Makeup Removal Cloths provide a better, more hygienic way to remove eye makeup.

Drying Cloth

Item#: EL1002

Size: 7.5"X7.5"

Made of 100% Organic Cotton Terry. EndureLash® Organic Drying Cloths are hypo-allergenic and safe to use around the sensitive eye area. The unique fabric weave and spin protects against shedding, snagging and pulling, which means fewer lost lashes. Our cloth gently absorbs excess water and beautifully feathers the lashes back into place. EndureLash® Drying Cloths are the perfect tool to protect and prolong your eyelash investment.

Lash Placement Tool

Size: 2.36" x 1.38" x 0.87"

Made of plastic material, this tool is the perfect lash band accessory. The molded thong design makes for easy grip, alignment and seamless application of lash bands.

Lash Bands

A collection of Faux Mink reusable lash bands, available in four styles. Though each pair of lash bands have been designed with a specific beauty in mind, every woman can relate to any one pair or multiple pairs of these custom designed lashes.

Endure

The Endure Soul radiates power! She has been to hell and back, and came back with a graceful dominance that provides a sense of protection and respect for the ones she loves. Although the exterior may appear brutally strong, on the inside she's pure love...

Classic

The Classic Soul has timeless elegance. Her observance of life give her rarely spoken words...weight. Her crisp white shirt, her low pony tail, her barely made up face, and then her classic lashes...

Glam

The glam soul stands out in the crowd. She shimmers with confidence, and is wearing the hottest fashion trends that only she can pull off! When she walks in a room all eyes are on her, and her lashes...

Society

For the social butterfly and career woman who's daily group interaction never interferes with the beauty of her lashes...in fact, she leads the pack!

Endure™ Beauty Spa Wrap

Made with Organic Bamboo, the Endure™ Beauty Organic Spa Wrap won't snag natural lashes or lash extensions. Gentle on skin that is sensitive, had a recent aggressive laser or peel during their facial.

Endure™ Beauty Spa Skincare

Includes a Facial Cleanser, Facial Toner and Lash Wash sized at 1000ML. Each product is specifically formulated without the use of harsh chemicals, parabens or alcohol, so you get the full benefits of all the organic ingredients. The skincare line works for all skin types, especially for those with sensitive skin or anyone suffering with skin related chronic illnesses like Lupus or Eczema.

Professional Lash Trays

The Unfiltered Beauty Collection maps out the trays according to personal style and lash artist desires when it comes to ease of use during the lash appointments.

The design of the trays includes a mixed collection of both volume lashes and classic lashes. We chose the most popular diameters, lengths, and curl, with a nice matte black finish for this first collection of 12 different trays, six trays per collection with lengths ranging from 8-15mm, three curl selections-C, CC, and D, and diameters ranging from .06/.07/.12/.15.

These lashes provide a full, fluffy, and natural look for the woman on the go. The finish of the lashes allows for your eyes to radiate beauty. We've done our research and designed what we know the lash world will LOVE!
