Pest Control

Effective immediately, pest control services will be provided BY ADVANCE REQUEST ONLY, on regularly scheduled dates. Please note that services are provided at your own risk, as the technician will likely be in several apartments each day. If you want the normal pest control service to be completed as scheduled, please call the office at least 24 hours in advance. We will resume normal service as soon as the COVID-19 pandemic allows.

Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is [cdc.gov](https://www.cdc.gov) (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.
