Here are the steps to follow to login:

1 - Copy and paste this link onto the address bar of your web browser:

<https://qbo.intuit.com/redir/login>

2 - Once you have reached their login page, enter your User name on the text field requiring you to do so.

3 - Move on to the next text field and enter your Password.

4 - Lastly, click the blue Sign in button.

Having troubles while accessing your account? Reset your login credentials:

1 - If you still can't access your account with the first try then let's try the alternative method.

Copy and paste this link again on your web browser: <https://qbo.intuit.com/redir/login>

2 - On this page, find the Can't Access your account? link which is underneath the Remember my User Id checkbox and then click it.

3 - After clicking the link you will be directed to their reset page. Choose which of the following are you having problems with.

4 - If it is your User name then click I forgot my User Id and fill in the text field with your email address and then click Submit.

5 - If it is your Password then click I forgot my Password, enter your User Id and click Submit. After which they will send you a link to change your password.
