

Natural Pharmacy of the Rain-Forest

The Healing Power of the Rain Forest in One Bottle

Natural Fruit Juice with many different components able to beat cancer

Composed of 6 plants with Anti-Tumor Qualities: **Graviola, Andiroba, Aloe, Copaiba, Avena, Eucalyptus**

Graviola is known since 80 years as a fruit tree with several active agents beating cancer successfully. In the 90ies It was studied in the USA during 10 Years in 10 different Laboratories with the purpose to create a cancer remedy. They found the component called ACETOGENIN scientifically proven as 10.000 times stronger as the drug ADRIAMICIN used in Chemo-therapy. It has a component protecting the healthy cells during radiation. Graviola further protects the body against the negative side effects of Chemo-Therapy like hair.loss, nausea, skin damage and more. The Components work on 12 kind of cancer; **it is rich in minerals: Iron, potassium, calcium, copper, magnesium, manganese, sodium, phosphorus, sulfur, Selenium, zinc, Vitamins:A, B1, B2, B3, C. In addition: Dietary fibers, Tannin, Proteins, Lipides**

Andiroba: (Carapa Guianenses): A huge tree groing in the Amazon region Properties and Actions:

Analgesic, antibacterial, anti-inflammatory, antimalarial, antiparasitic, antiseptic, antitumor, cicatrizant, cytotoxic, emollient, febrifuge, insecticide, vermifuge. Further Properties: The fruit contains oil with antiseptic, anti-inflammatory, cleaning healing effect. It has Anti-rheumatic qualities and softens the skin clean it from old and dead skin cells.

Andiroba has a substance that is able to clear the arteries from cholesterol deposits transporting quickly oxygen to the cellular structure, the tissues and the organs. A further quality consist in acid oil important for structure growth of children/teenagers, it has blood cleaning components holding the arteries and nerves in good shape. This component is very important for the metabolism and the evacuation of cholesterol. **Japanese and Canadian Researchers** believe that this component is able to lower the growth of cancer cells with the powers to protect against **lung cancer, breast cancer and intestine cancer.**

BABOSA (ALOE VERA) has 5% active agents with miraculous therapeutic properties: 18 amino acids necessary for formation and structure of the proteins which are the base of body cell and tissue. It also has indispensable minerals for the cellular metabolism. **It contains natural insulin, anti-bacterial, anti-inflammatory antibiotic agents. It is analgesic with agents** of fast cell recovery. One component of the plant is called **Acemanan** is a Mucopolysaccharides effective for several kind of tumors augmenting the numbers of Macrophages, Lymphocytes and Monocytes in our organism. That way they accelerate the cellular cleaning process **avoiding that a tumor grows into a metastasis.** It has been studied on 100s of t1000s of different diseases, **also on tumors.** It is proven that it contains a quality that hinders the tumor to get nutrients for its growth and therefore it has been **proven that tumors are shrinking and even disappear** **Aloe Babosa** has properties that are able to augment the intern oxygen flow transporting the oxygen right to the cells that are affected by cancer cells - these properties are able to **separate the cancer cells regenerating the body cells.** In addition the **Mucopolysaccharides** are substances belonging to the cell membranes augmenting the resistance against all kind of negative micro organisms trying to invade our organism. This substance is very important for all the liquid material in our body structure and for a good function of our articulations. After puberty our body stops producing that substance and we need to ingest it with our nutrition. Aloe is cell renewing, healing the damage of sick cells restoring the cellular structure. It has cicatrizing factors and helps open wounds to close and to heal faster. **Aloe Babosa** is a natural anti-biotic and contains detoxification components.

Aloe has the factors that avoid most of the side effects from Chemo Therapy

Copaiba (Copaífera officinalis) is known in Brazil as **Nature Pharmacy.** It is the only help against the Brazilian "Chaga-Disease"- no remedy has been found until today. Copaiba has factors that kills bacteria and has anti inflammatory components. **Researches of the National Cancer Institute of Brazil confirm that the oils of Copaiba have anti tumor effects.** The Acids are eliminated through the kidneys where they kill bacteria in the urinary system and in the genital areas. One component of the oil has a **factor that avoids skin cancer to grow.** **Copaiba** is used in 192 countries for its immense variety of therapeutic qualities, mostly used against acne and skin problems of puberty, Allergies of the respiratory system, hair loss, asthma, bronchitis, cough, amygdalitis, arthritis, arthrosis, articular gout, laryngitis, abscess-forming laryngitis, cramps, sciatica, stress, Stomatitis, catarrh, gastritis, **depression, sickness, nausea, colds, phlebitis, cystitis, wound healing,**

Lung emphysema, furuncles, tumors, extern tumors and myoma, tumors in the legs, acromycosis, toenail mycosis, abdominal distension, Psoriasis

Copaiba, Andiroba & Eucalyptus combined are very powerful on respiratory disease & HPV

All three components have characteristics that are working for the complete respiratory system including mouth, nose and throat. They have **qualities to beat tumors in all parts of the lung and the respiratory organs**. One of their factors is warming up the pulmonary alveoli so the black and hard nicotine jumps up from their wall transforming the black components into a secreted yellowish dirty catarrh - the only factor of lung cleaner known until today and a great hope for smokers. **New studies in the National Cancer Institute in Paraguay (INCA) realized on HPV infected patients** showed that after the application of **Copaiba** the virus HPV disappeared completely. These viruses are causing also colon- and uterus carcinoma which reaches around 30% of woman in Brazil. **The Copaiba oil** is a true activator of our immune system **against HPV**

Avenca: Adiantum Capillus -Veneris Properties:

Anti-inflammatory, diuretic, sedative, tonic, viral, antiseptic, depurative, stimulating, anti-tumor agents
AVENCA has laboratory proven qualities that fight prostate cancer. Further it has components that are helping to heal bronchitis, catarrh, Asthma, Cough, Liver Insufficiency, Diarrhea, Flu, Splenic Inflammation Digestive Problems, Rheumatic Pain and much more. It helps against fever, has anti virus factors, is sedative, anti-inflammatory, has expectorant and laxative qualities and **strengthens the entire organism**. It acts in an enzyme called Alfa-5-reductase, which causes prostate cancer when it enters in anamol action transforming the testosterone into toxic dihydrosteron provoking hyperplasia prostatic, infection and finally prostate cancer. Brazilian scientists from several Federal Universities began to research **Avenca** confirming that **AVENCA acts strongly on prostate cancer and its prevention**. It further strengthens the hair, helps against few appetite

EUCALYPTUS (Eucalyptus Globulus) - Medicinal Action and Uses: Stimulant, antiseptic, anti-malarial, aromatic, antibacterial effects, analgesic, anti-inflammatory, antimicrobial, anti-parasitic, sedative, disinfectant, Eucalyptus is the most known as therapeutically powerful remedy of these 5 components, used for bronchitis, asthma and all kind of respiratory insufficiencies, throat infection, cough, mucus, Influenza, tetanus, fever, malaria, cystitis, nephritis, muscle pain, diphtheria, rheum, parasitic skin affections and also **has action on ulcers and tumors**

This Product specially was composed with the intention to create a powerful anti-tumor nutrient helping to prevent, to restore and to heal the body from inside out. Reading through the properties of the 5 ingredients only you will notice the extremely high effectiveness of this composition consisting in **ACTIVE AGENTS ONLY – highly concentrated**

*** All Plants and Fruits used in this juice have high power qualities that beat cancer**

This Juice is **NO REMEDY**, but just a natural high concentrated nutritional supplement only with the divine side effects to eliminate lots of different body imbalances and diseases. It is a Master Peace of Gods Guidance to help suffering men, women and children to recover and to have a happy life again

Further Action on our body: Hyper- detoxification factors, The Juice has components that act on Blood Circulation opening the capillaries facilitating the blood stream and the administration of oxygen in the cellular structure. There are qualities that are prophylactic against coronary vessel problems, cardiac Infarction, Stroke, Angina Pectoris, Cramps, etc Its properties allow an easy blood back stream to the heart and calms pains in the legs. Further components are cleaning the blood from all kind of poisons, viruses and impurities. It contains Metionin and Treonin, essential Amino-Acids that help detoxify the liver, protect the liver against cirrhosis and avoids the formation from fat in the liver's cell structure with an active agent that helps the cell regeneration of the liver, a great chance for those with a liver damage. It has components that help against heartburn, mal digestion, colonic diverticulitis, colitis, avoids the growth of tumors at the connection between the stomach and the intestine, protects against inflammation of the esophagus, nausea and sickness, against tooth and mouth infections. The Juice contains Aloe Oil that helps regulating the production of gastric acid and dietary fibers to helping the process of a perfect digestion, against Dyspepsia, Maldigestion, Gastric Mucosa, protects the stomach wall against irritations and inflammations, ulcerous and gastritis, **One of the substances detected in this juice is able to eliminate the "hospital killer virus". This has been found out by coincidence as a person with cancer cached this deadly virus and after taking the juice for a while this virus was not found anymore in his blood. That was a major discovery and studies are still going on to elaborate scientific proof.**

DOSIS: Prevention: 1 measure cup 15 to 20 minutes before breakfast

Treatment: 2 to 4 measure cups 15 to 20 minutes before the meals

Advanced: 3 to 6 measure cups daily 15 to 20 minutes before the meals
