## About GL exam on 11 plus exam papers

GL (Granada Learning) is an administration that provides a test series for 11 plus students. The institution was the National education foundation for education research and later in 2007, it secured by GL.

This GL exam will provide you with various practice assessment on topics like Verbal and Non-verbal Reasoning, English and Maths. They will provide you with a package of course, which will contain sets of GL papers. Most of the schools will take a combined assessment to know the capabilities of students.

These 11 plus exam papers will help you crack the exam of your favorite school.

## Exam pattern of GL exam

The exam of GL will continue for 45 minutes. They will provide you with a test on each subject topic. The length of GL papers will change each year. They will undertake the practice on each subject to score better in your 11 plus studies. They have 2 sections in the exam. The first section type is the standard section, in which you have to write the answers to the question in the space given below. Multiple choices are the second section, where you have to choose the correct option in another sheet assign to you. That is the pattern to appear for GL exams.

## Offer they provide

The [11 plus exam papers](#) consist of 5 GL exams. Each exam has 4 tests on every subject. Overall, 20 test are included in the package. The validity of course is 180 days from purchase. You can finish your course any time in these 180 days. They have a feedback system. After finishing each test, they will provide you with a solution and answers. They will let you know how much correct you have solved. It will help you to clear your doubts.
