### VII. READING COMPREHENSION (OKUDUĞUNU ANLAMA)

The piranha, in spite of its tiny size, is one of the most feared fish in the world. Piranhas live in the Aaron River, have very sharp teeth, and are capable of eating four times their body weight daily. This would not be so bad, if it were not for the way they attack in numbers. Even the smallest movement, like splashing your hand in the water, is enough to attract 300 piranhas in an instant. A piranha attack can transform a live cow into a skeleton in a matter of minutes. When there is nothing else to eat, they will even eat each other.

1) According to the passage, the piranha\_\_\_\_\_.
