FIGHTER CHAMPIONSHIPS Return

“A slugfest quite simply,” Ortega said to TRAINING FOR MMA Junkie. “Me and your pet kind of already have the point where we want to hit every different in the face. So honestly, I just observe a slugfest and many technological work. But sure – we kind of do not like each some other.”

Things took a switch for the worse involving the featherweight candidates whenever Ortega slammed The writer Recreation area, who was Jung’s translator, at UFC 248.

Ortega also believes this victor of his fight towards Jung will get the subsequent shot at the UFC featherweight title.

“From just what I’ve heard, and I have posted on my interpersonal media plus Dana White’s said that himself : he mentioned the victorious one of this combat gets the shot to guard the belt, ” Ortega said. “I don’t make the rules. I don’t perform nothing – it came up straight from this horse’s mouth. I’ve never ever observed him talk about any person else having a title shot after their fight. We heard it from this fight. ”

UFC Fight Night: Ortega compared to. Jung is set for Weekend, October 19 from a location to be publicised with Brian Ortega and even Chan Sung Jung headlining. Fightful is providing dwell coverage of the occasion, when broadcast plans currently have still to be exposed.
