

## Top Nightmare Before Christmas gift ideas

If, after all these years, "Nightmare Before Christmas" is still your thing and you can't get enough of it, the gift ideas we'll mention below will undoubtedly inspire you and be the go-to items that you'd want to purchase to further enrich your Nightmare collection. According to the most recent statistics on consumer spending habits, the market for Nightmare Before Christmas merchandise (like [Nightmare Before Christmas Hoodies](#)) is experiencing a significant increase. Let's have a look!

## **The timeless value of "Nightmare Before Christmas"**

Though there is some debate over whether "The Nightmare Before Christmas" is about Christmas or Halloween, or both, the entire film is filled with seasonal Christmas and spooky Halloween decorations.

What's most intriguing is the evolution of this imagery and the unfolding of the themes. The creepier undertones of the film are introduced early on. The eerie atmosphere of Halloween Town and its inhabitants is set by the opening music. The dynamics change as the film progresses. While the music changes to a more jovial and catchy tone, Jack decks the halls of Halloween Town for Christmas and even dresses up as Santa Claus. Characters remain frightening, and the main bad guy remains terrifying, but Halloween references fade.
