

ATTENTION TRESPASSERS UTILIZING STOLEN IN TRUST PRIVATE PROPERTY, DUE TO UNFORSEEN CIRCUMSTANCES I WAS UNABLE NOVEMBER 1 2022 TO PICK UP RENTS DUE and PAYABLE. YOU ARE STILL ON MY PROPERTY AFTER BEING ASKED POLITELY, UNDER MY SUPERVISION, TO PEACEFULLY VACATE LAST WEEKEND.

I AM A WOMAN WITH AN INFJ PERSONALITY, THE RAREST TYPE. AS SUCH AM CAPABLE OF PLACING MYSELF IN YOUR SHOES and KNOW YOU HAVE BEEN BLINDSIDED BY EVILDOERS BENJAMIN HOW and SANDRA DENNIS. THESE PERSONS HAVE KNOWN SINCE NOVEMBER '21 THEY ARE IN POSSESSION OF MY STOLEN SECURITY.

I realize it was unfair not to provide proof. Type the blue addresses into a search engine, hit enter to find my valid lawful claim which requires you to vacate as soon as possible. I know you haven't been on my property long as former trespassers are gone for same reason. THEY DID NOT WANT to face criminal charges or claim for civil damages which is why you are new persons on my stolen property due to the greed, blatant disrespect and fraud of B. HOW and S. DENNIS.

Upon opening this link there are blue links to open and read for understanding of how my property was stolen by application/title fraud and those responsible <https://docdro.id/YrEICvF>

As a victim of Benjamin How, Sandra Dennis and other evildoers I am in process of building criminal and civil cases. I would like to provide sound counsel to those trespassing you must file civil claim for damages in BC Small Claims Court for maximum allowed 35K per person as your so-called landlords have knowingly, willingly caused you loss, harm and injury. I will help you and attend your hearing so you may receive appropriate compensation rightfully deserved. You are victims of these liars and their lies, just like I am. Please know we are not enemies. I know you are in shock. That is why I am taking time to write, to reassure I do very much understand and am sympathetic. Nonetheless, you must relocate as soon as possible and this is to no fault of your own. Isn't that correct evildoers Benjamin and Sandra?

Truthfully, I am the nicest Woman you will meet which is why I am providing information to have this process be peaceful and cooperative as possible for my sake and yours as I have been completely traumatized by having the property my family has owned since 2003 stolen along with my entire inheritance leaving me, purposely, homeless and destitute since March 2020.

You now have proof required to understand if you have heard slanderous statements about me they are all lies spoken by liars. I couldn't make up what has been done to me if I tried. I would never tell you this is my property if it was not my home. Trespassers are using my security and I, as owner, have legally and lawfully right to immediate possession.

To provide time to digest the information I will be back November 3 before 8 pm to pick up rent. If you have paid the criminals in unlawful possession of my stolen property BENJAMIN HOW and SANDRA DENNIS BE AWARE I WILL BE ATTENDING YOUR ADDRESS ON FAIRCLIFF LANE TO TAKE MY NECESSARIES OF LIFE FROM YOU, AS IS MY DUTY, OBLIGATION & RESPONSIBILITY. YOU EVILDOERS FACE ME ONE WAY OR ANOTHER SO GET A GRIP & STOP BEING LIARS. YOU ARE NOT "ABOVE THE LAW" and NEVER WILL BE! YOU ARE DESTROYING YOURSELVES!
