Important Informaiton

A portion of our parking lot is being resurfaced October 3-6. Please note we will have a section of Rockridge at buildings 5, 6 and 14 blocked off during that time

We have our annual MHDC inspection on October 25. Please note they will pick apartments at random to inspect.

Happy Birthday

Happy Birthday to the residents that have Birthdays this month!

Announcements

Our Maintenance Department tip of the month relates to clogged sinks. A good, economical way to ensure that your kitchen sink remains unclogged is to boil a pot of water and dump it down your sink drain once every week or so. The boiling water will remove grease and other built up deposits in your drain line.

Important Community Information

Help to keep your apartment cooler by stopping at the office to pick up your FREE A/C filter! Changing your filter monthly helps keep your A/C running cooler and uses less energy! If you are having any issues with your A/C we asked that you call ASAP so that we can get it taken care of as fast as possible!

Thank You to all our residents who renewed their lease! We're excited that you continue to make Townhomes at Stonecrest your home. And a BIG Welcome to ALL our new residents! We are happy that you chose Townhomes at Stonecrest to be your home!
