Modus Operandi

Differences to other Healing Centers

- The Light and Healing Center „Ariel“ will work on humanity's purpose not only to recuperate body health, but also in teaching how to strengthen mind and soul, teaching self commitment and development of a higher consciousness for all life questions – providing inner harmony and the support in difficult life situations to reach permanent health
- Working in Unity with the Foundation „Ariel-Sun of life“ we will be able to pay attention to the population at the border of society with little or no income and support them in terms of how to avoid diseases and teach them how to start self initiative to get out of poverty.
- At the same time the department of tourism and healing brings income to help the other departments, as well as....
- Events and the access of public use of the fitness center, prophylactic workshops for health and other kinds of workshops, seminars and congresses
- Events and the access of public use of the fitness center, prophylactic workshops for health and other kinds of workshops, seminars and congresses

Education & Initiation

The department of classes, workshops and seminars not only international Capacities are invited but there is also give an opportunity with help of the foundation to teach interested persons without own recourses

Advantage

The one in all and all in One system gives the opportunity to families to come as unity and to use the different offers while someone of the members follows its treatment
